Sweet Georgia's Juke Joint

Wednesday, May 24, 2017

12:30pm - 8:00pm

\$75.00 per person

The Story Behind Our Juke Joint

Sweet Georgia's Juke Joint is the culmination of a deep history of music, food, drink and socializing in the South. Located in the former Macy's building, in the heart of downtown Atlanta at the iconic 200 Peachtree address, Sweet Georgia's Juke Joint brings the city a place to relax while enjoying live entertainment and exceptional cuisine. Historically, juke joints originated in the rural outskirts of many southern towns to give African American communities a place to kick back and unwind after a long week of work. **Sweet Georgia's Juke Joint offers a dining and musical entertainment experience in downtown Atlanta, representing diverse culture, featuring music across all genres and popular hits throughout American history.** An imaginative menu makes Sweet Georgia's Juke Joint a staple in Atlanta's downtown restaurant scene, and the allure of traditional juke joints is showcased in the restaurant's design.

The Museum of the Jimmy Carter Library

The Museum of the Jimmy Carter Library includes photographs and historical memorabilia from the Carter presidency (1976 - 1981). An exact replica of the Oval Office and gifts received by the Carters are also featured. A permanent exhibit of significant events occurring during Jimmy Carter's life and political career includes photographs with interpretative text. The Museum of the Jimmy Carter Library provides a unique experience for the visitor. Through displays of room settings, objects, documents, photographs, audio, and video, visitors can acquire a close-up view of the modern American Presidency. Changing exhibits are drawn from the library and museum collections or are based on themes relating to the presidency and American political history. Many of these are traveling exhibitions from the Smithsonian Institution, other Presidential Libraries, and other museums around the world.
