

Letter of Intent

I, Jean M. Cherry, intend to construct a screened-in porch and covered patio at the rear of my home at 1795 Woodberry Run Drive, Snellville, Georgia 30078. My construction will include the current patio that exists at the rear of my house.

I am requesting to reduce the 20 feet rear yard building setback to 11 feet to allow for the construction of a 260 square foot screened porch and patio addition.

Provide herein are letters of support of my request from the Woodberry H.O.A. and adjoining neighbors. I understand that the Snellville Board of Appeals has granted variance approval for similar requests. (See attached exhibits)

Sincerely,

Jean M. Cherry
