**Re:** Response to Planning Department Review Comments

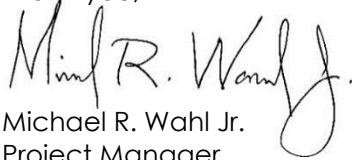

The purpose of this exhibit is to convey to the City of Snellville Planning Department an idea of location, size, species and condition of existing and proposed new trees and shrubs, per their request sent July 05, 2017.

<u>Type</u>	<u>Location</u>	<u>Size / Caliper</u>	<u>Species</u>	<u>Condition (New/Existing)</u>
Shrub A 	Along South & Western side property boundary, front corner, building perimeter			Existing
Shrub B 	Front corner, around building perimeter			Existing
Shrub C 	Parking island(s)			Existing
Tree A 	Parking island(s) - (5) total	~ 6" caliper		Existing

<p>Tree B &amp; C</p> 	<p>Along Western side property boundary – (3) total</p>	<p>~ 4" caliper</p>		<p>Existing</p>
<p>Shrub D</p> 	<p>Front corner, parking islands, around building perimeter</p>			<p>New</p>
<p>Tree D</p> 	<p>Front corner, new parking island, around building perimeter</p>	<p>4" caliper</p>	<p>Red Maple</p>	<p>New</p>

If there are any questions or further comments, please let us know.

Thank you,

Michael R. Wahl Jr.
