TO WHOM IT MAY CONCERN

The Faithful City Christian Center at 2134 Fountain Square Snellville Georgia, as the church is called, is a Christian Organization or fellowship of believers that is Pentecostal, Non-denomination in nature, with the gifts of the Holy Spirit in evidence. We engage in the five-fold ministries which include the apostolic, evangelic, teaching, prophetic, and pastoral branches. We preach the Gospel of Jesus Christ leading to salvation. We minister the baptism of the Holy Spirit and leading to impartation of spiritual gifts with manifestation and the subsequent bearing of the fruit of the Spirit.

We obey the Great Commission of Jesus where He tell us to go and make Disciples of all nations at the end of every Sunday service, there is opportunity for those who have never accepted Jesus as their Lord and personal savior to do so.

We also teach deliverance and demonology as a means of setting the captivities free as well as divine healing of the body, soul, and spirit. We proclaim the acceptable year of the Lord, in personal witness and public evangelism, going cities and towns in the United States of America. Parking in the Fountain Square Center is more than adequate for the present 25 members' congregation. The hours of operation do not conflict with the existing businesses which are closed during the services on Sunday and evening functions.

We strongly believe that we are to train disciples, and after they are equipped, they return to their own churches where they function effectively as ambassadors and workers of the Gospel. At the Faithful City Christian Center, our hope is that one would grow one's relationship with Jesus Christ.

Most importantly, we are all together finding direction from God. I want to thank you in advance for allowing us to be part of this shopping complex as one of your family members
