

SUMMIT CHASE
COUNTRY CLUB

May 4, 2017

To Whom It May Concern,

We are writing in reference to LUP 17-04 RZ 17-06, applications by Split Silk Properties (applicant) and Ridgecliff, LLC (property owner). We had the privilege of meeting with Jeff Timler and Danny Herman to discuss the planned development. It is our understanding that the pending zoning change will allow for the progress of the development. We would like to express our support of this project, as it was shown to us.

Thank you,

Adrienne Britt Levesque
