I understand that the City of Snellville requires plans on commercial buildings using other than residential electrical fixtures only. A permit shall be secured from the Department of Planning and Development prior to the commencement of any tear-out or electrical work. Upon job completion, please call the Department of Planning and Development (770-985-3513) to arrange for a next-day inspection by the City Building Inspector. I certify that all the above statements are true and that all work performed shall meet National, State, and Local code requirements. Paid permit application shall serve as City of Snellville Electric Permit.
