Are there any EXISTING Monument/Ground located on the property/building? □ No □ Yes

If yes, what will happen with these existing signs? _____________________________________________________

******************************************* Property Owner / Business Owner Signature *******************************************

I hereby certify that there are no existing signs except those indicated on this application or that any sign(s) not listed on this application will be removed before any new sign(s) are installed. I further certify that I am the property owner or business owner and responsible for the placement and maintenance of sign(s) proposed herein. I further certify that the necessary Sign Location Permit and Electrical Permit required for the installation of the sign(s) will be obtained prior to installation. I understand that an approved Temporary Construction Ground Sign Permit Application shall serve as the official Temporary Construction Ground Sign Permit.

Further, I understand that a temporary construction ground sign is permitted only in connection with a construction project on the parcel on which the project is being constructed during the duration of the construction period. Temporary signs shall be removed immediately upon completion of construction activity on the parcel for which this permit has been issued, or upon permit issuance for a permanent Monument/Ground Sign, whichever first occurs.

Signature of Property Owner / Business Owner ___________________________ Printed Name ___________________________ Date ___________________________

Aggregate Sign Area. The combined sign surface area of all signs on a lot, excluding the area of one face of all double-faced signs. Non-commercial flags and banners are excluded from any determination of aggregate sign area.

Sign Area. The entire area within a continuous perimeter, enclosing the extreme limits of sign display.

Premises. A lot, parcel, tract, or plot of land together with the buildings and structures thereon.

HOW TO OBTAIN A TEMPORARY CONSTRUCTION GROUND SIGN PERMIT

Step 1. **Obtain a Temporary Construction Ground Sign Permit Application Form and information package.** These may be obtained by visiting the Department of Planning & Development, City of Snellville, City Hall, 2342 Oak Road, 2nd Floor, or by calling 770.985.3514, or printed from the City’s website (www.snellville.org).

Step 2. **Complete the Temporary Construction Ground Sign Permit Application Form,** attach the required b) **Temporary Construction Ground Sign Details** (with dimensions & square feet information), c) **Site Location Plan** (with the sign location indicated and all road frontage(s) and distance(s) from Right-of-Way provided), attach the d) **$15 Review Fee**.

Step 3. **Submit the Complete Application “Package”.** Typical office hours are 8:00 a.m. to 5:00 p.m. Monday through Friday, except holidays. The review and issuance of sign permits is a “Drop-Off Process” for the initial review.

Step 4. **Application Review and Site Inspection.** Applicants will be notified within 5 business days following complete application submittal of permit approval or denial. Applications determined to be incomplete or that contain information that is determined to not be in conformance with the Snellville Zoning Ordinance will be denied and will require a new and complete application re-submittal and $15.00 review fee. For any application denied, a written denial letter will be mailed, providing the reason(s) for denial.

Step 5. **Permit Pickup.** When contacted by Planning Department staff that the permit is ready for issuance, a return visit to Planning & Development Department is necessary. Remit the appropriate permit fees (cash, check, Visa, and MasterCard accepted).

**Inspections & Certificate of Completion.** If an Electrical Permit is required, a final electrical inspection must be scheduled, successfully passed and a Certificate of Completion issued prior to use of the sign. Inspections are requested by calling 770.985.3513 to schedule 24-hours in advance.

TOTAL PERMIT FEE $ _____________________

MINIMUM PERMIT FEE IS $30.00
(Make check payable to City of Snellville)

I understand that the City of Snellville requires plans on commercial buildings using other than residential electrical fixtures only. A permit shall be secured from the Department of Planning and Development prior to the commencement of any tear-out or electrical work. Upon job completion, please call the Department of Planning and Development (770-985-3513) to arrange for a next-day inspection by the City Building Inspector. I certify that all the above statements are true and that all work performed shall meet National, State, and Local code requirements. Paid permit application shall serve as City of Snellville Electric Permit.
