

Updated COVID-19 Pool Rules

Please do not enter the pool area if you exhibit signs of illness that include fever, cough, shortness of breath, chills, muscle pain, sore throat or loss of taste of smell/taste.

- **Pool occupancy=150 patrons**
- Once occupancy is hit patrons will need to wait outside to get into the pool. One person can enter for each person that leaves.
- Social distancing is enforced on the pool deck. Masks are recommended.
- Bring your own chairs, towels, & goggles. Briscoe will not provide chairs or tables.
- Indoor showers closed (outdoor rinse-off showers opened). No more than 4 people in the restroom at a time.
- Packaged concessions available for purchase.
- Employees will wear masks when not in lifeguard stand
- Employees will wear gloves at concessions
- Frequently touched surfaces & bathrooms will be disinfected throughout the day.
- All patrons who enter the pool must pay the admission fee.
- Swimsuits are required to swim.
- Children in diapers must wear plastic or vinyl training pants over their swim diapers. There is no exception to this rule. Swim diapers can be purchased at pool for \$1.
- Children 12 and under, must be accompanied by a paying adult.
- Coolers are permitted, but no glass containers are allowed.
- Please Note: Weather or unforeseen maintenance issues will affect pool operations. **NO REFUNDS!** Rain checks will be given only for pool closures. They will not be given for swim delays. You will need to check in with the admission guard to put your name down for a rain check. If you leave without putting your name down then you will not receive a rain check. Rain checks can be collected at the park office within 48 hours.

Swim Lessons Levels

Ages 3 and up - Introduction to Water Skills

There are no prerequisites for this course. This is for swimmers with no swimming ability. The objective of this course is to build students' confidence in the water. They will learn how to blow bubbles, float and kick on their front and back with support, breath control, and get comfortable with underwater swimming.

Ages 6 and up – Fundamental Aquatic Skills – Part 1

There are no prerequisites for this course. Intro to water safety and assists. The objective of this course is to continue to build students' confidence in the water. In addition to what is learned in Intro To Water Skills the swimmer will learn to: recover to a vertical position from a floating position, proper feet first entries, glide on their front and back and add kicks to their front and back glides. Intro to water safety and assists.

Fundamental Aquatic Skills – Part 2

Prerequisites: Student must be able to in pool without assistance from lifeguard and/or guardian. Students learn unsupported floating on their front and back. Recover to a vertical position from a floating position, glide on their front and back and add kicks to their front & back glides. Introduction to arms with kick.

Stroke Development

Prerequisites: Student must be able to in pool without assistance from lifeguard and/or guardian.

Depending on your child's skill set, they will learn the following:

Students will change direction and body position in deep water. They will learn to swim on front and back for 20 feet, tread water for 30 seconds, and swim the butterfly kick. Introduction to bilateral breathing, and swim on front and back using combined strokes for 5 yards.

Students will learn to dive from the side in a kneeling position. Swim underwater, float in deep water for 1 minute, and use an open turn when swimming on their front and back. Students will swim front crawl and backstroke 15 yards, introduction to butterfly arms, breaststroke kick and scissor kick.

Students will learn to dive from a standing position, swim under water for 15 yards, tuck and pike surface dives and flip turns while swimming front crawl and back strokes. They will tread water for 2 minutes and swim freestyle and backstroke 50 yards, swim breaststroke, sidestroke and butterfly for 15 yards.
