This Addendum forms a part of the Invitation to Bid (ITB) Documents and modifies the original Document Package as noted below. This Addendum includes clarifications and is a total of two (2) pages.

#### Corrections/Clarifications are as follows:

1. Will City of Snellville accept a Joint Venture Bid between two companies, each company bidding one service exclusively? Specifically, one independent commercial bidder meeting ITB qualifications and one independent residential bidder meeting ITB qualifications? Together, these two companies would comprise ONE Joint Venture BID with each being a Prime Bidder for their exclusive service?  
*Bidders shall submit one bid for both for residential waste and commercial waste. Bidder must define any subcontractors or suppliers roles and duties.*
2. How many multifamily locations are there?  
*The City has approximately 111 multifamily locations.*
3. Section 4.4 of the contract agreement. How many extra carts are out there now?  
*As of December there were 369 extra carts which are paid for through the City's Recycling Program.*
4. Section 5.1 of the contract agreement. How many replacement carts have been provided by the vendor over the last 2 years?  
*The City does not track this number.*
5. Section 5.4 of the contract agreement. Will the city consider making the CPI more automatic and not require annual council approval?  
*No, it must go before the Mayor and Council.*
6. Section 21.3 on page 30- "Other Terminations. If Company's services are terminated by another governmental agency, the Company must provide notice of such termination within 10 days. The City shall have 15 days to investigate the circumstances of such

termination. The City, in its sole discretion, may terminate this Agreement within 30 days of receipt of such notice.” Will the city please consider removal of this section?  
*No.*
