# **INTRODUCTORY SECTION**

**(Unaudited)**

---

February 27, 2026

To the Honorable Mayor, Distinguished Members of City Council  
and the Citizens of Snellville, GA:

I am honored to hereby present the City of Snellville, GA's eighth consecutive Annual Comprehensive Financial Report. The report is as of and for the year ended June 30, 2025. Responsibility for both the accuracy and the completeness and fairness of the presentation, including all disclosures, rests with the management of the City of Snellville. To provide a reasonable basis for making these representations, the City of Snellville has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City's financial statements in accordance with generally accepted accounting principles (GAAP). Because the cost of internal controls should not outweigh their benefits, the objective is to present reasonable rather than absolute assurance that the financial statements will be free from material misstatement. To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in a manner designed to present fairly the financial position and results of operations of the various funds and component units of the City of Snellville. All disclosures necessary to enable the reader to gain an understanding of the City's financial activities have been included.

The City of Snellville's financial statements have been audited by James L. Whitaker, P.C., a firm of licensed certified public accountants. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City of Snellville for the fiscal year ended June 30, 2025, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the City of Snellville's financial statements for the fiscal year ended June 30, 2025, are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditor's report and provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

## **Profile of the Government**

Snellville was founded in 1874 and was incorporated in 1923. Snellville is located in the southern portion of Gwinnett County and is eighteen miles east of Atlanta. The City occupies 10.4 square miles and serves a population of 22,557. The City of Snellville is empowered to levy a property tax on both real and personal property located within its boundaries.

The City is a municipal corporation created under the laws of the state of Georgia and has its corporate name as "City of Snellville, Georgia." The affairs of the City are conducted by a mayor and a five-member City Council. The mayor and the City Council members are elected at large. The mayor and council members serve on a part-time basis and are elected to staggered terms of four years. The council is responsible for passing ordinances, adopting the budget, establishing tax rates, appointing committees and hiring the City Manager and City Clerk. The City Manager oversees the day-to-day operations of the City and ensures the smooth and efficient delivery of city services.

The City provides a full range of services including law enforcement; the construction and maintenance of buildings, parks, streets, storm water drainage facilities, and other associated infrastructure; park and recreational activities; elections; court system; building inspections; planning and zoning; recycling; sanitation; and general administrative and support activities.

This report includes all funds of the City, as well as one component unit and two blended component units. The component unit, Snellville Development Authority has been determined to meet the criteria for inclusion in the City's reporting entity. The component unit is reported in a separate column in the financial statements to emphasize it is a legally separate entity and to differentiate its financial position from the City's. The blended component units, The Urban Redevelopment Agency of Snellville (URA) and City of Snellville Downtown Development Authority were created to serve as financing vehicles for certain community development projects. Although they are legally separate from the City of Snellville, the URA and DDA are reported as if they were a part of the primary government because their sole purpose is to oversee and participate in financing community development projects for the benefit of the City of Snellville.

The annual budget serves as the foundation for the City of Snellville's financial planning and control. All departments are required to submit requests for appropriation to the City Manager. The City Manager uses these requests as the starting point for developing a proposed budget. This budget is then presented to the City Council for review. The City Council is required to hold public hearings on the proposed budget and to adopt a final budget no later than June 30, the close of the City of Snellville's fiscal year. The appropriated budget is prepared by fund and department. The City Manager may make transfers of appropriations within a department. Transfers of appropriations between departments and the appropriation of additional funds, however, require the approval of the City Council. Budget-to actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. For the general fund, ARPA fund, Downtown Development Fund and the School Safety Fund, these comparisons are presented as part of the basic financial statements for the governmental funds. For other governmental funds, these comparisons are presented in the Individual Fund Statements subsection of this report.

## **Factors Affecting Financial Condition**

The information in the financial statements is perhaps best understood when it is considered from the specific environment within which the City of Snellville operates.

### **Local Economy**

The City was settled and has continued to grow around the confluence of two (2) major federal and state transportation arteries: U.S. Highway 78 and State Highway 124. As a non-interstate transportation hub, the City has attracted a large amount of retail and commercial interest over the years with the 124 Scenic Highway corridor now home to over 2.1 million square feet of retail, restaurant and entertainment businesses. A 110-room Hampton Inn which opened in early 2019 maintains an occupancy rate over 80% and those new visitors certainly added to our economy.

When describing our local economy, it is always important to comment on two (2) areas in particular: housing and consumer spending. Because we are an attractive community with a high quality of life, builders and developers have aggressively targeted Snellville for development. For instance, the City approved over 900 housing units for construction in FY25. These include a mix of multi-family, single-family detached, and townhome units. This consistent interest from developers should continue to benefit our tax digest. The great thing is our housing continues to diversify as we enact new code changes and zoning actions. That is to our long-term benefit as we seek to attract younger, well-educated individuals to our community.

Additionally, thousands of visitors are attracted daily to our shopping area and we have also made great strides in other tourism and visitor-related activities. Our award-winning Farmers Market operates every Saturday during the growing season and has now, due to public demand, been extended on a monthly basis throughout the winter months. We also have increased our entertainment calendar to over 20 major events featuring concerts, festivals, outdoor movie nights, and Food Truck Fridays. These occur throughout the year on our Towne Green and The Grove at Towne Center, which brings thousands of visitors to Snellville. We contract with the Snellville Tourism and Trade (STAT) organization for tourism-related activities and attractions. STAT now receives 90% of our Hotel-Motel Tax revenues with the City retaining 10% for focused marketing efforts like signage and advertising.

These visiting consumers serve as a great foundation for our local economy by keeping our commercial tax base strong and supporting our City budget through our consumption tax line items. We have seen consistent growth in local sales tax collections, and alcohol tax collections continue to meet budget projections. Our local economic health could also be seen in our City Tax Digest. We have now had positive growth for 14 years in a row after several down years. The City's total real and personal property value now totals over \$4 billion dollars.

### **Major Initiatives**

The Grove at Towne Center – This major project continued to dominate time and efforts in FY25 as this fiscal year saw steady progress toward the construction of the City's 10-acre The Grove at Towne Center project. The project's site work was completed in June 2023. This work included the development's

greenspace, splash pad, and pedestrian pathways. In addition, the City completed the Grove's street improvements including installing pedestrian lighting, raised crosswalks, on street parking, and a roundabout at Wisteria Drive and Clower Street. In December 2022, the first residents began moving in to the privately developed 270-unit luxury apartment complex. In September 2023, the two-story public library building opened, with the City subleasing the second floor to a co-working company. The finished square footage of the building is 45,000 sf.

In July 2023, the City began construction of the Municipal Market building shell. The two-story building will house a brewery and food hall, with an event space on the second floor. In total, the building is 22,000 sf. In September 2024, the building shell was substantially complete. In the summer of 2024, the City entered into a lease agreement with Crooked Can Brewing Company to rent the first floor. As part of the lease agreement, the City provided funds to complete the interior buildout of the brewery and food hall. Concurrently, the City is working to secure a lease with an event space operator.

To accommodate the anticipated increase in traffic flow generated by The Grove, the City began work on an intersection improvement project at North Road and Wisteria Drive in April 2025. The project includes upgrading signals, lighting, and sidewalks, and installing two (2) left turn lanes on North Road and a right turn lane on Wisteria Drive. The City anticipates completing the improvements by spring of 2026.

Towne Center Phase Two – Phase Two of this project involves 8.2 acres of land immediately across Wisteria Drive from The Grove. In May 2022, the City sold the 8.2 acres of land to MidCast, LLC for future healthcare/ retail uses including a Northside Hospital office and outpatient surgical center. Construction began, almost immediately, and the facility opened in September 2023. The private sector investment is estimated to surpass \$100 million for both phases.

Towne Center Phase Three – Over the last two (2) years, the City purchased 5 acres of land on Oak Road and State Highway 124. The City plans to work with a developer to redevelop the land as a complement to The Grove. The City is in the early planning stages for the development.

Downtown Development Authority – Although the City was the architect and prime mover behind all Towne Center work, the Snellville Downtown Development Authority (DDA) was the legal conduit used for purchase and sale of property and for development and operating agreements between the City and our private sector partners, MidCast, LLC. The DDA's assistance was critical to our success.

The DDA will be the owner and operator of all Towne Center public properties. They will continue to operate in tandem and close partnership with the City and Mayor and Council.

T.W. Briscoe Park Community Center – The T.W. Briscoe Park Community Center (the Center) is the next major project identified in the City's Park Master Plan. In May 2025, the City began construction of the Center. The City anticipates that it will take one (1) year to complete the building. As currently designed, the 34,000 square foot Center would house two (2) basketball courts, an indoor walking track, an outdoor covered-patio, two (2) multi-purpose activity rooms, and one (1) aerobics room. The project also includes the necessary site improvements to service the building including a parking lot and storm water detention system. The City will fund the project through revenues collected from the Special Option Local Option Sales Tax (SPLOST), and federal and state grant programs.

## **Capital Equipment in FY-25**

Through revenues collected from the School Zone Safety Program, the City is able to purchase the necessary capital equipment for our police department. These purchases are primarily comprised of new vehicles that are outfitted with the proper radios, computers, and software packages.

## **Awards and Acknowledgements**

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Snellville for its annual comprehensive financial report for the fiscal year ended June 30, 2024. This was the eleventh year that the government has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized annual comprehensive financial report. The report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current annual comprehensive financial report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

The active involvement and professional support of James L. Whitaker, P.C. has been instrumental to the prompt completion of the associated audit of this report. The cooperation of various elected officials and appointed management has been invaluable. We express our appreciation to all those who contributed to its preparation. Finally, we would like to thank the City Council for their leadership and support in conducting the financial affairs of the City of Snellville in a responsible and progressive manner.

Respectfully submitted,

Jan Burke

## INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and Members of City Council  
City of Snellville, Georgia

### Report on the Audit of the Financial Statements

#### Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Snellville, Georgia, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the City of Snellville, Georgia's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Snellville, Georgia, as of June 30, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund, ARPA Fund, School Safety Fund and the Downtown Development Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Snellville, Georgia and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Snellville, Georgia's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Snellville, Georgia's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Snellville, Georgia's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the Schedule of Changes in the Pension Liability and Related Ratios information on pages 4-15 and 58-60 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Snellville, Georgia's basic financial statements. The accompanying combining and individual fund financial statements, budgetary schedules, and the schedules of projects financed with special purpose option sales tax proceeds (collectively, "the supplementary information") are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

We also have previously audited, in accordance with auditing standards generally accepted in the United States of America, the City of Snellville, Georgia's basic financial statements for the year ended June 30, 2024, which are not presented with the accompanying financial statements and we expressed unmodified opinions on the respective financial statements of the governmental activities, the business-type activities, discretely presented component unit, each major fund, and the aggregate remaining fund information. That audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Snellville, Georgia's basic financial statements as a whole. The individual fund financial statements related to the 2024 financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the 2024 basic financial statements. The information has been subjected to the auditing procedures applied in the audit of those basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2024 individual fund financial statements are fairly stated in all material respects in relation to the basic financial statements from which they have been derived.

### **Other Information**

Management is responsible for the other information included in the annual report. The other information comprises the introductory and statistical sections but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated February 27, 2026, on our consideration of the City of Snellville, Georgia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Snellville, Georgia's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of Snellville, Georgia's internal control over financial reporting and compliance.

Snellville, Georgia  
February 27, 2026

**CITY OF SNELLVILLE**  
**MANAGEMENT'S DISCUSSION AND ANALYSIS**  
For Year Ended June 30, 2025

As management of the City of Snellville (the City), we offer readers of the City's financial statements, this narrative overview and analysis of the financial activities of the City for the fiscal year ended June 30, 2025. We encourage readers to consider the information presented in this analysis with their review of the financial statements.

During FY 2025, the City determined, in compliance with the Governmental Accounting Standards Board (GASB) Statement 39, that the City's Downtown Development Authority (DDA), a component unit of the City, should be a blended component unit and included in the financial transactions of the primary government (the City). This change in reporting increased the City's Governmental Activities Beginning Net Position by \$10,907,676, which included capital assets of \$29,091,167 and long-term liabilities of \$22,053,776. In addition, the change increased the governmental funds total beginning fund balance by \$4,184,051.

**Financial Highlights**

- The assets and deferred outflows of the City of Snellville exceeded its liabilities at the close of the most recent fiscal year by \$97,972,284 (Net Position). Of this amount, unrestricted net position of \$4,697,118 may be used to meet the government's ongoing obligations to citizens and creditors in accordance with the City's fund designation and fiscal policies.
- The City's total net position increased by \$7,150,567. Of this amount, \$5,485,484 was associated with governmental activities and \$1,665,083 was associated with business-type activities.
- As of the close of the current fiscal year, the City's governmental funds reported combined ending fund balances of \$18,407,261. Of this amount, \$2,858,650 is unassigned and available for spending, \$9,843,642 is restricted for SPLOST Capital Projects, \$258,804 is restricted for other Capital Projects, \$3,221,854 is restricted for Police Activities, \$248,883 is restricted for Tree Bank Projects, \$902,380 is restricted for Community Development, \$7,571 is restricted for Specified Grant Activities, \$341,530 is a nonspendable for Prepaid Items, and \$31,207 is restricted for debt service. Also \$692,920 is appropriated in the FY26 General Fund Budget for continuing needs as the revenues are projected to remain strong.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$2,866,630 or 18% of total General Fund revenues.

The City's total debt obligations decreased by the net of \$2,040,810. As of June 30, 2025, total debt included the DDA bonds of \$20,053,435, which include bond premiums of \$1,488,435, leases and subscriptions payable of \$361,187, and compensated absences of \$678,462.

## **Overview of the Financial Statements**

This discussion and analysis are intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements are comprised of three (3) components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

**Government-wide financial statements.** The government-wide financial statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all of the City's assets and deferred outflows and liabilities and deferred inflows, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating. We have been very fortunate to have our net position increase for nine (9) out of the last ten (10) years.

The Statement of Activities presents information showing how the City's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

Both of the government-wide financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City include general government, public safety and courts, highways and streets, parks and recreation, economic development, community development, and debt service. The business-type activities of the City are solid waste management, recycling, and storm water management.

**Fund financial statements.** A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City can be divided into two categories: governmental funds and proprietary funds.

**Governmental funds.** Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between the two.

The City maintains seven (7) major governmental funds. They are the General Fund, the Livable Centers Initiative (LCI) Capital Projects Fund, the SPLOST IV and V Capital Projects Funds, the American Rescue Plan Act (ARPA) Fund, the Downtown Development Authority (DDA) Fund, and the School Safety Fund. Information is presented separately in the Governmental Funds Balance Sheet and in the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund balances for all seven (7) major funds.

The City adopts an annual budget for its General Fund and all major Special Revenue Funds. Beginning on page 22 of this report, a budgetary comparison statement has been provided for the General Fund, the ARPA Fund, the School Safety fund, and the Downtown Development Authority Fund to demonstrate compliance with the FY25 Budget. A project length budget is presented for the Capital Projects Funds in the supplementary information following the Basic Financial Statements.

**Proprietary funds.** The City maintains two (2) proprietary funds. Enterprise funds (a component of proprietary funds) are used to report the same functions presented as business-type activities in the government-wide financial statements. Information is presented separately in Statement of Net Position of the Solid Waste Management Enterprise Fund and the Storm Water Management Enterprise Fund as well as the Statement of Revenues, Expenses and Changes in Fund Net Position for each fund.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statement and accompanying notes, this report also presents certain other supplementary information, which consists of budget comparisons for all Governmental Funds' revenues and expenditures.

## **Government-Wide Financial Analysis**

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At June 30, 2025, the City's assets exceeded liabilities by \$97,972,284.

The largest portion of the City's net position (78.2%) reflects its investment in capital assets (e.g., land, buildings, equipment, improvements, construction in progress, and infrastructure) less any related debt used to acquire those assets that is still outstanding. The City uses capital assets to provide service to citizens; consequently, these assets are not available for future spending. Although the City's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Of the total net position, \$16,629,719 (17%) is restricted for Capital Projects, Police Activities, Economic and Community Development, and Tree Bank Projects, and \$4,697,118 (4.8%) is unassigned and may be used to meet the government's ongoing obligations to citizens and creditors.

**City of Snellville's Net Position**

(1) Amounts for FY24 have been restated for the effects of reporting the Downtown Development Authority as a blended component unit.

**Governmental activities.** Governmental activities increased the City's net position by \$5,485,484. Key reasons for this increase are as follows:

- Special Purpose Local Option Sales Tax (SPLOST) revenue of \$5,154,413 that is used for capital improvement projects.
- The receipt of \$537,296 in Local Maintenance Improvement Grant (LMIG) funding from the Georgia Department of Transportation. The City uses LMIG funds to re-pave local streets.
- The City received \$241,929 in grant funding from Gwinnett County for the intersection improvement project located at North Road and Wisteria Drive.

The City has received \$7,497,481 in American Rescue Plan Act (ARPA) funds through June 30, 2025. The City has used approximately \$6,144,879 in ARPA funds through June 30, 2025. These funds were used for capital improvements of our existing storm water and transportation infrastructure, and for public safety personnel. Additionally, the City continues to benefit from the recent state law that mandates sales tax collections on all online purchases.

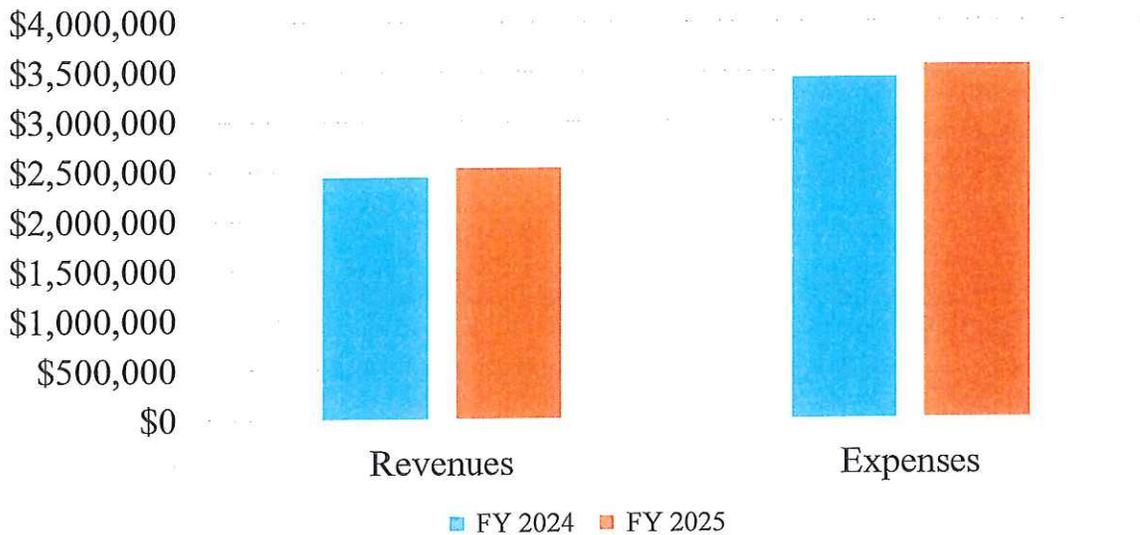

Program Revenues by Source Governmental Activities

**Business-type Activities:** In performance noted below, the Solid Waste Management Fund sustained an operating loss for the year of \$1,024,268, while our Storm Water Fund Net Position increased by \$1,699,950.

- Our Solid Waste Fund continued to survive on General Fund transfers as the City subsidizes the full cost of household solid waste pick-up. FY25 was our ninth year operating under an increased rate structure and our total General Fund subsidy was \$989,215. We negotiated a 3% cost of living increase with our commercial sanitation contractor.
- To address the increasing costs to operate and maintain the City’s storm water infrastructure, the City completed a rate study. From the results of the rate study, the City instituted an increase of the annual base rate from \$57.33 to \$125.00. The rate increase resulted in approximately a \$1 million dollar increase in storm water fees collected in FY25.

### Revenues and Expenses Solid Waste Fund

#### Financial Analysis of the Government's Funds

As noted earlier, the City used fund accounting to ensure and demonstrate compliance with finance related legal requirements.

**Governmental Funds.** The focus of the City’s governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the current fiscal year, the City’s governmental funds reported combined ending fund balances of \$18,407,261. Of this amount, \$2,866,630 (16%) is unassigned fund balance,

which is available for spending at the government's discretion. The remainder of fund balance is reserved to indicate that it is not available for new spending because it has already been committed to pay for the following: 1) Police Services (\$3,221,854); 2) Tree Bank (\$248,883); 3) Community Development (\$902,380); 4) Prepaid Items (\$341,530); 5) Other capital projects (\$10,102,266) through the LCI and SPLOST funds; 6) Debt Service (\$31,207); and Specified Grant Activities (\$7,571). The City also has assigned fund balance for appropriations for next year's budget of \$692,920.

The General Fund is the City's chief operating fund. At the end of the current fiscal year, unrestricted fund balance of the General Fund was \$2,866,630 while the total fund balance equaled \$3,702,989. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund revenues. Unassigned fund balance represents 18% of the total general fund revenues, while total fund balance represents 23% of that same amount.

During the current fiscal year, the fund balance of the City's General Fund decreased by \$3,636,403. The fund balance decreased due, in large part, to a \$3,800,000 purchase of property adjacent to The Grove at Towne Center (The Grove). The City will partner with a developer to redevelop the property as part of the growing town center. The General Fund transferred \$989,215 to the Solid Waste Management Fund to finance the City's recycling facilities and residential garbage service.

The 2017 SPLOST has brought in \$21,682,797 and will allow us to complete The Grove in early 2026. The 2023 SPLOST has generated \$11,321,074 in revenue. It will be used for transportation purposes, to pay down general obligation debt, to install an 18-inch sewer main in the Towne Center area, and build a community center at T.W. Briscoe Park.

The City has received \$7,497,481 in American Rescue Plan Act (ARPA) funds through June 30, 2025. The City has expended \$6,144,879 in ARPA funds through June 30, 2025. In FY25, these funds were used primarily for transportation infrastructure improvements and expenses related to the community center at T.W. Briscoe Park.

In 2021, the City installed traffic cameras to address concerns with speeding in our local school zones. The funds are restricted to expenditures that support the City's public safety efforts. The City primarily uses these funds to purchase police vehicles, radios, body and dash cameras, and any necessary departmental software. In FY25, the School Safety Fund collected \$931,876, which the City then used to purchase and outfit police vehicles, and install cameras for T.W. Briscoe Park, The Grove, and the Towne Green.

In FY25, the City used the Downtown Development Authority (DDA) Fund to pay down the bonds that were used for the construction of The Grove. In addition, the City expended approximately \$2.1 million dollars to complete the interior buildout of the Towne Center Market

Building. Completing the buildout was part of the lease agreement with the building's occupant, Crooked Can Brewing Company.

In 2000, the Atlanta Regional Commission created the Livable Centers Initiative (LCI) program to provide grant funding to municipalities for the planning and construction of transportation projects such as sidewalks, complete streets, and intersection improvements. In previous years, the City used LCI funds to construct road improvements within the Towne Center. In FY25, the Livable Centers Initiative (LCI) Fund had no activity.

**Proprietary Funds.** The City's proprietary fund provides the same type of information found in the government-wide financial statements, but in more detail.

Net position of the Solid Waste Fund at the end of the year was \$561,499. The fund sustained an operating loss for the year of \$1,024,268, and received \$989,215 in supplemental revenue from the General Fund. This fund transfer was necessary because the City does not charge a fee for residential solid waste pick-up. Unfortunately, given the current inflationary impacts, it is inevitable that the negative trend in Net Position will continue without program changes.

Net position of the Storm Water Fund at the end of the year was \$11,302,881 of which \$10,265,510 was invested in capital assets. The fund is expected to be used for storm water management operating and capital expenditures. In FY25, the City completed a rate study for the storm water utility. From the results of the rate study, the City instituted an increase of the annual base rate from \$57.33 to \$125.00. Much of the storm water work is ongoing across the City so capital assets will continue to grow.

**General Fund Budgetary Highlights.** In FY25, the General Fund continued to perform well as inflation threatened consumer spending and overall economic growth. Property tax collections increased due to sustained growth in our tax digest. The City's Title Ad Valorem and Insurance Premium Tax collections exceeded budget projections. The City's local business economy continues to be strong with occupational tax revenues exceeding budget projections, and a 41% increase in residential building permit revenues. Expenditures increased from the original FY25 Budget of \$15,112,115 to \$19,005,639 due primarily to the purchase of land within the Towne Center for future redevelopment.

### **Capital Asset and Debt Administration**

**Capital assets.** The City's investment in capital assets for its governmental and business-type activities as of June 30, 2025 amounts to \$97,201,458 (net of accumulated depreciation). This investment in capital assets includes land, buildings, improvements, automobiles/equipment, sidewalks, bridges, and roads.

Major capital asset events during the current fiscal year included the following:

- \$880,722 in storm water infrastructure.

- \$740,105 on city vehicles and related equipment.
- \$3,800,000 in property acquisition adjacent to The Grove.

Additional information on the city's capital assets can be found in Note 8.

**Long-term debt.** At the end of the current fiscal year, the City had \$21,093,084 in outstanding debt consisting of DDA bonds, capital lease obligations, software subscriptions to support public safety efforts, and accrued compensated absences.

The City's total debt has decreased by \$2,040,810. This decrease is due to the following activities: a principal payment on the DDA bonds of \$1,910,000 and principal payments of \$155,921 on leases and subscriptions payable. Additional information on the City's long-term debt can be found in Note 9.

### **Status of the City of Snellville Economy**

As a City with heavy retail, we rely on our community to support and contribute to the local economy. Due, in part, to the increase in local spending, the City experienced an uptick in sales tax collections, and exceeded budget projections in occupational tax (business licenses) and hotel/motel tax revenues. Additionally, we continue to experience growth in our Property Tax digest –due, in part, to continued interest from developers in residential and commercial development within the City.

The City continues to attract the interest of residential developers. In FY25, the City approved the following residential developments:

- A 126-single-family detached housing development on Classic Drive.
- A 64-unit townhome development on West Main Street.
- A 65-unit townhome development on Rosebud Road.
- A 70-unit mixed townhome and single-family detached housing development on Lenora Church Drive.

Internally, the City and its development partners have continued construction on The Grove. It is scheduled to fully open in the first quarter of 2026. It will include 300 residential units, a new library, a Municipal Market building with a brewery and event space on the second floor, two new freestanding restaurants, and a 750-space parking deck. Private investment in Phase I will total \$75 million.

Across the street from The Grove, Northside Hospital completed two buildings in Phase II of the Towne Center. The buildings include physician offices, an ambulatory surgery center, an urgent care, and other Northside outpatient services. Private investment in Phase Two will total \$30 million.

The Grove has attracted the interest of several residential housing developers. In FY25, the City approved a 300-unit and a 171-unit multi-family development, and a 140-unit townhome development within a 10-minute walk from the town center.

To accommodate the anticipated increase in traffic flow generated by The Grove, the City began work on an intersection improvement project at North Road and Wisteria Drive. The project includes upgrading signals, lighting, and sidewalks, and installing two (2) left turn lanes on North Road and a right turn lane on Wisteria Drive.

The City's public investment in the Towne Center is only possible with long term, smart financial management and we are determined to continue such to make the Towne Center a success and keep it moving forward.

### **Requests for Information**

This financial report is designed to provide a general overview of the City of Snellville's finances, comply with finance related laws and regulations, and demonstrate the City's commitment to public accountability. Questions concerning this report or requests for additional information can be obtained by contacting the City at (770) 985-3500 or at the following address: 2342Oak Road, Snellville, GA 30078

**CITY OF SNELLVILLE, GEORGIA  
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,  
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL ACTIVITIES  
TO THE STATEMENT OF ACTIVITIES  
FOR THE YEAR ENDED JUNE 30, 2025**

Net change in fund balances -- total governmental funds \$ (3,498,169)

Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:

Capital outlay	9,473,747
Depreciation & Amortization	(2,889,431)

The net effect of other miscellaneous transactions involving capital assets (i.e., sales, trade-ins, and donations) is to decrease net position. This is the amount of net book value of assets disposed of during the current period. -

Transfer of capital assets to the DDA	-
Transfer of capital assets to the Stormwater Fund	(191,308)

Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds. This is the difference between the beginning and ending deferred revenue balances in the current period. 62,406

Debt proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of debt principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position:

Repayments	2,065,921
Proceeds	-

Bond premiums, discounts and related deferred items are considered deferred costs in the statement of net position and are amortized over the life of the related debt while they are considered other financing uses in governmental funds in the year they are incurred:

Amortization	90,340
--------------	--------

Change in net pension asset and related deferred items 172,040

Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds:

Change in the long term portion of accrued compensated absences	(133,428)
Change in the long term portion of termination benefits	17,977
Change in accrued interest	315,389

Change in net position of governmental activities. \$ 5,485,484

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2025**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

**A. Basis of Presentation**

The City's financial statements are prepared in accordance with generally accepted accounting principles (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations). The more significant accounting policies established in GAAP and used by the City are discussed below.

**B. The Reporting Entity**

The City of Snellville, Georgia (the "City") was incorporated in 1923 under the provisions of the State of Georgia. A Mayor and City Council, composed of five members, govern and direct the legislative affairs of the City. In a manner consistent with the principles and practices of a Council-Manager form of government, the legislative policies and daily operations of the City are executed and/or administered by an appointed City Manager. The City Manager is vested with the authority and responsibility to provide for effective and efficient delivery of municipal services and to attend to the management of municipal affairs within legislative and legal parameters established by federal, state and local laws and regulations. The City provides the following services: police, highways and streets, sanitation, recycling, stormwater, parks and recreation, planning and zoning, and general and administrative services. The City's annual financial report includes the accounts of all City operations and its component unit. Water, sewer, and fire protection services are provided by Gwinnett County.

Governmental Accounting Standards Board Statement (GASB) No. 14, as amended by GASB No. 61 defines the reporting entity for determining which potential component units should be included in a primary government's financial statements. Inclusion is based on organizations for which the primary government is financially accountable. In addition, the primary government may determine, through exercise of management's professional judgment, that the inclusion of an organization that does not meet the financial accountability criteria is necessary in order to prevent the reporting entity's financial statements from being misleading. In such instances, the organization should be included as a component unit. The criteria for determining financial accountability includes appointing a voting majority of an organization's governing body and (1) the ability of the City to impose its will on that organization or (2) the potential for the organization to provide specific financial benefits or to impose specific financial burdens on the City regardless of whether the organization has a separate elected or appointed governing board. Blended component units, although legally separate entities, are, in substance part of the government's operations and are reported with similar funds of the primary government. The City reports the City of Snellville's Development Authority as a discretely presented component unit. The Urban Redevelopment Agency and the Snellville Downtown Development Authority are considered blended component units of the City.

**Discretely Presented Component Unit –**

The component unit column in the Government – Wide Financial Statements includes the financial data of City of Snellville, Georgia Development Authority. In March 2016, the City approved a resolution to reinstate the Snellville Development Authority (SDA). The SDA operates to develop and promote for the public good and general welfare, trade, commerce, industry and employment opportunities within the City of Snellville. This component unit is reported in a separate column to emphasize that it is a legally separate entity. Funding of the Authority is provided by the City's General Fund and contributors from individuals and private corporations. The City appoints the Authority's Board members and reviews the annual budget. Separate financial statements for the Authority are not issued.

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**B. The Reporting Entity – (Continued)**

Blended Component Units –

The Urban Redevelopment Agency of Snellville (URA) was created in 2010 by the City to serve as a financing vehicle for certain community development projects. The URA is a legally separate organization governed by a board that is appointed by the mayor and city council of the City of Snellville. Although it is legally separate from the City, the URA is reported as if it were a part of the primary government because its sole purpose is to oversee and participate, if necessary, in financing community development projects for the benefit of the City and its citizens. Furthermore, the URA is included as a component unit as the URA has no ability to issue debt or otherwise carry out its activities without the participation and agreement of the City or appropriation of funds by the city council and the total debt outstanding is expected to be repaid entirely or almost entirely with the resources of the primary government. The operations of the URA are included in the governmental activities of the government-wide financial statements as a separate special revenue fund. Separate financial statements are not published for the URA which follows the same accounting policies as the City of Snellville.

The City of Snellville, Georgia Downtown Development Authority is a separate legal entity and was organized to develop and promote commerce, industry, and general welfare within the City. The City appoints the Authority's board members, reviews the annual budget and the debt of the Authority is expected to be paid entirely or almost entirely with resources of the City. Funding of the Authority is provided by the Authority's operations, the City's General and SPLOST Funds and contributions from individuals and private companies. Separate financial statements for the Authority are not issued.

**C. Basic Financial Statements—Government-Wide Statements**

The City's basic financial statements include both government-wide (reporting the City as a whole) and fund financial statements (reporting the City's major funds). Both the government-wide and fund financial statements categorize primary activities as either governmental or business type.

The government-wide Statement of Net Position presents the financial condition of the governmental and business-type activities of the City at year end. The statement is presented on a consolidated basis and is reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The City's net position are reported in three parts—net investment in capital assets; restricted net position; and unrestricted net position. The City first utilizes restricted resources to finance qualifying activities.

The government-wide Statement of Activities presents a comparison between direct expenses and program revenues for each program or function of the City's governmental activities and for business-type activities of the City. Direct expenses are those that are specifically associated with a service, program, or department and therefore clearly identifiable to a particular function. The City does not allocate indirect cost. Program revenues include charges paid by the recipient of the goods or services offered by the program, grants and contributions that are restricted to meeting the operational or capital requirements of a particular program, and interest earned on grants that is required to be used to support a particular program. Revenues which are not classified as program revenues are presented as general revenues of the City, with certain limited exceptions. The comparison of direct expenses with program revenues identifies the extent to which each governmental program or business activity is self-financing or draws from the general revenues of the City. The net costs (by function) are normally covered by general revenue (property, sales or use taxes, interest income, etc.).

This government-wide focus is more on the sustainability of the City as an entity and the change in the City's net position resulting from the current year's activities.

(See Independent Auditor's Report)

**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**D. Basic Financial Statements-Fund Financial Statements**

The financial transactions of the City are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, reserves, fund equity, revenues and expenditures/expenses. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. Fund financial statements are designed to present financial information of the City at this more detailed level. The focus of governmental and enterprise fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column. The City considers the General Fund, the ARPA Fund, the School Safety Fund, the DDA Fund, the LCI Grant Fund and the SPLOST IV and V Capital Projects Funds to be major funds. The Hotel/Motel Fund, Confiscated Assets Fund, the School Safety Fund, the Tree Bank Fund and the Urban Redevelopment Fund are considered non-major funds. The various funds are grouped, in the financial statements in this report, into the following fund types:

**Governmental Fund Types** – Governmental funds are those through which most governmental functions of the City are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the City’s major governmental funds:

**General Fund** – The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

**American Rescue Plan Act (ARPA) Special Revenue Account** – This fund is used to account for the monies received and the related expenditures under the American Rescue Plan Act. Recipients may use award funds to cover eligible costs incurred during the period that began March 3 2021 and ends December 31, 2026..

**School Safety Fund** – This fund accounts for the fines received from RedSpeed Cameras in school zones. The money collected and remitted to the City shall only be used to fund local law enforcement or public safety initiatives.

**Downtown Development Authority Fund** – The City of Snellville Downtown Development Authority is a separate legal entity whose purpose is to assist in the development of the downtown area of the City of Snellville. This fund accounts for the financial transactions of the Authority’s rental and development operations.

**LCI Grant Capital Projects Fund** – The LCI Grant Capital Projects Fund accounts for the proceeds from a grant from the U. S. Department of Transportation. The proceeds from the grant are to be used to finance improvements to the City’s Town Center streetscapes.

**The SPLOST Capital Projects Funds** – The SPLOST Capital Projects Funds are used by the City to account for acquisition and construction of major capital facilities that were approved by the voters of Gwinnett County, Georgia through the special purpose local option sales tax referendums.

**Proprietary Fund Type** – Proprietary fund reporting focuses on the determination of operating income, changes in net position, financial position, and cash flows. The City’s proprietary funds are classified as enterprise funds. Enterprise funds may be used to account for any activity for which a fee is charged to external users for goods or services. The following are the City’s major proprietary funds:

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**D. Basic Financial Statements-Fund Financial Statements, continued**

**Solid Waste Management Enterprise Fund** - The Solid Waste Management Enterprise Fund is used to account for the revenues generated from the charges for sanitation and recycling services provided to the residential and commercial users of the City.

**Stormwater Management Enterprise Fund** - The Stormwater Management Enterprise Fund is used to account for the charges generated from stormwater services provided to citizens of the City of Snellville, Georgia.

**E. Measurement Focus**

**Government-wide Financial Statements** – The government-wide financial statements are prepared using the economic resources measurement focus. All assets and all liabilities associated with the operation of the City are included on the Statement of Net Position.

**Fund Financial Statements** – All governmental funds, the Snellville Downtown Development Authority, and the Snellville Development Authority are accounted for using a flow of current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The Statement of Revenues, Expenditures, and Changes in Fund Balances reports on the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of government-wide financial statements are prepared. Therefore, governmental fund financial statements include a reconciliation with brief explanations to better identify the relationship between the government-wide and the statements for governmental funds.

Like the government-wide statements, all proprietary funds are accounted for on a flow of economic resources measurement focus. All assets and all liabilities associated with the operation of these funds are included on the Statement of Fund Net Position. The Statement of Changes in Revenues, Expenses, and Changes in Fund Net Position presents increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. The Statement of Cash Flows provides information about how the City finances and meets the cash flow needs of its proprietary activities.

On the proprietary funds financial statements, operating revenues are those that flow directly from the operations of the activity, i.e. charges to customers or users who purchase or use the goods or services of that activity. Operating expenses are those that are incurred to provide the goods or services. Non-operating revenues and expenses are items such as investment income and interest expense that are not a result of the direct operations of the activity.

**F. Basis of Accounting**

Basis of accounting refers to the point at which revenues or expenditures/expenses are recognized in the accounts and reported in the financial statements. It relates to the timing of the measurements made regardless of the measurement focus applied.

**1. Accrual**

Government-wide financial statements are presented on the accrual basis of accounting; proprietary funds also use the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**F. Basis of Accounting – (Continued)**

**2. Modified Accrual**

The governmental funds financial statements are presented on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual; i.e., both measurable and available. “Available” means collectible within the current period or within 60 days after year end. Expenditures are generally recognized under the modified accrual basis of accounting when the related liability is incurred. The exception to this general rule is that principal and interest on general obligation long-term debt, if any, is recognized when due.

Those revenues susceptible to accrual are taxes, state and federal grants, fines, interest revenue and charges for services. Major revenues that are determined not to be susceptible to accrual because they are either not available soon enough to pay liabilities of the current period or are not objectively measurable include licenses, penalties and miscellaneous revenues which are recorded as revenues when received in cash. Those revenues that are measurable but are not collected within 60 days after year end are recorded as deferred revenues.

**G. Cash and Cash Equivalents**

The City has defined cash and cash equivalents to include cash on hand, demand deposits, and cash with fiscal agents. Investments with an original maturity of three months or less at the time of purchase are presented on the financial statements as cash equivalents.

**H. Investments**

Investments are stated at cost or amortized cost with accrued interest shown under a separate caption on the balance sheet. All investments of the City as of June 30, 2025 consisted of non-participating interest-earning investment contracts, and money market mutual funds.

**I. Inventory**

Inventory held for resale is valued at the lower of cost (first-in, first-out) or market whereas inventory of supplies is valued at cost. Inventory, if any, in the General Fund consists of expendable supplies held for consumption. The cost is recorded as expenditure at the time individual inventory items are used, rather than in the period purchased. Reported inventories are equally offset by a non-spendable fund balance, which indicates that they do not constitute “available spendable resources” even though they are a component of net current assets.

**J. Prepaid Expenses**

Payments made to vendors for service that will benefit periods beyond June 30, 2025 are recorded as prepaid items and are expensed during the period benefited.

**K. Capital Assets**

General capital assets are capital assets which are associated with and generally arise from governmental activities. They generally result from expenditures in governmental funds. General capital assets are reported in the governmental activities column of the government-wide statement of net position but are not reported in the fund financial statements. Capital assets utilized by the proprietary funds are reported both in the business-type activities column of the government-wide statement of net position and in the respective funds.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**K. Capital Assets – (Continued)**

Capital assets purchased or acquired with an original cost of \$3,500 or more are reported at historical cost or estimated historical cost. Donated capital assets, donated works of art and similar items, and capital assets received in a service concession arrangement are reported at acquisition value. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Interest incurred during the construction phase of capital assets is not included as part of the capitalized value of the assets constructed. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Buildings and improvements	30-40 years
Land improvements	30-40 years
Furniture and equipment	7-10 years
Vehicles	5-10 years
Infrastructure	40-50 years
Improvements other than buildings	40-50 years

The City only reports infrastructure assets purchased subsequent to June 30, 2003.

**L. Accrued Liabilities and Long-Term Obligations**

All payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements. All payables, accrued liabilities, and long-term obligations payable from proprietary funds are reported on the proprietary fund financial statements.

In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the funds. However, claims and judgments and compensated absences that will be paid from governmental funds are reported as liability in the fund financial statements only to the extent that they are due for payment during the current year. Long-term loans are recognized as a liability on the governmental fund financial statements when due.

**M. Revenues**

Substantially all governmental fund revenues are accrued. Property taxes are billed and collected within the same period in which the taxes are levied. In applying GASB No. 33 to grant revenues, the provider recognizes liabilities and expenses and the recipient recognizes receivables and revenue when the applicable eligibility requirements, including time requirements, are met. Resources transmitted before the eligibility requirements are met are reported as advances by the provider and deferred revenue by the recipient.

**N. Expenditures**

Expenditures are recognized when the related fund liability is incurred. Inventory costs are reported in the period when inventory items are used, rather than in the period purchased.

**O. Compensated Absences**

The City accrues accumulated unpaid vacation and sick leave and associated employee-related costs when earned (or estimated to be earned) by the employee. The noncurrent portion (the amount estimated to be used in subsequent fiscal years) for governmental funds is maintained separately and represents a reconciling item between the fund and government-wide presentations

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**P. Interfund Activity**

Interfund activity is reported as loans, services provided, reimbursements or transfers. Loans are reported as interfund receivables and payables as appropriate and are subject to elimination upon consolidation. Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund and reduces its related cost as a reimbursement. All other interfund transactions are treated as transfers. Transfers between governmental funds are netted as part of the reconciliation to the government-wide financial statements.

**Q. Encumbrances**

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditures of monies are recorded in order to reserve that portion of the applicable appropriation, is employed by the City. At June 30, 2025, there were no encumbrances outstanding.

**R. Deferred Outflows / Inflows of Resources**

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflow of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to future period(s) and so will not be recognized as an outflow of resources (expense / expenditures) until then. The City has one item that qualify for reporting in this category as of June 30, 2025. The item, deferred pension outflows, are reported in the government-wide statement of net position.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The government has one type of item, which arises only under a modified accrual basis of accounting that qualifies for reporting in this category. Accordingly, the item, unavailable revenue, is reported in the governmental funds balance sheet. The governmental funds report unavailable revenues from four sources: property taxes, probation fines, lease contracts and intergovernmental revenues. In addition, the City has two items that qualify for reporting in this category in the government-wide statement of net position. The items, deferred pension inflows and lease contract inflows, are reported in the government-wide statement of net position.

**S. Net Position**

Net Position represents the difference between assets plus deferred outflows of resources and liabilities plus deferred inflows of resources. Net position invested in capital asset consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction, or improvement of those assets. Net position is reported as restricted when there are limitations imposed on their use either through constitutional provisions or enabling legislation or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments.

The City's government-wide statement of net position reports \$16,629,719 of restricted net position, of which \$13,321,770 is restricted by enabling legislation.

The City first applies restricted resources when an expense is incurred for which both restricted and unrestricted net position are available.

(See Independent Auditor's Report).

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**T. Fund Equity – Governmental Funds**

As of June 30, 2025, fund balances of the governmental funds are classified as follows:

**Nonspendable** – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

**Restricted** – amounts that can be spent only for specific purposes because of constitutional provisions, charter requirements or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

**Committed** – amounts that can be used only for specific purposes determined by a formal action of City of Snellville’s Council. Snellville’s Council is the highest level of decision making authority for the City. Commitments may be established, modified, or rescinded only through ordinances approved by City Council prior to end of the fiscal year. Once adopted, the limitation imposed by the ordinance remains in place until a similar action is taken to remove or revise the limitation.

**Assigned** – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Only the City Council may assign amounts for specific purposes through passage of a resolution. Unlike commitments, assignments generally only exist temporarily and do not normally have to have an additional action taken for their removal.

**Unassigned** – all other spendable amounts. The General Fund is the only fund that reports a positive unassigned fund balance amount. However, in governmental funds other than the general fund, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report negative unassigned fund balance in that fund

As of June 30, 2025, fund balances are composed of the following:

	General	ARPA	School Safety	DDA	SPLOST Funds	LCI	Nonmajor Funds	Total
Nonspendable:								
Prepays	\$ 143,439	\$ -		\$ 198,091	\$ -	\$ -	\$ -	\$ 341,530
Restricted:								
Capital Projects	-	-	-	-	9,843,462	258,804	-	10,102,266
Police Services	-	-	3,103,812	-	-	-	118,042	3,221,854
Tree Bank	-	-	-	-	-	-	248,883	248,883
Specific Grant Activities	-	7,571	-	-	-	-	-	7,571
Community Development	-	-	-	891,526	-	-	10,854	902,380
Debt Service	-	-	-	31,207	-	-	-	31,207
Committed	-	-	-	-	-	-	-	-
Assigned:								
Redevelopment	-	-	-	-	-	-	-	-
Next year's budget	692,920	-	-	-	-	-	-	692,920
Unassigned	2,866,630	-	-	-	-	-	(7,980)	2,858,650
<b>Total Fund Balances</b>	<b>\$ 3,702,989</b>	<b>\$ 7,571</b>	<b>\$ 3,103,812</b>	<b>\$ 1,120,824</b>	<b>\$ 9,843,462</b>	<b>\$ 258,804</b>	<b>\$ 369,799</b>	<b>\$ 18,407,261</b>

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the City considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the City considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the City Council has provided otherwise in its commitment or assignment actions.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued):**

**U. Contributions of Capital**

Contributions of capital in the proprietary fund financial statements arise from outside contributions of capital assets, or from grants or outside contributions of resources restricted to capital acquisition and construction.

**V. Estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**W. Budgets and Budgetary Accounting**

Prior to May 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1. The operating budget includes proposed expenditures and the means of financing them. Public hearings are conducted to obtain taxpayer comments. During June, the mayor and council legally enact the budget through passage of an ordinance. Budgets for all funds are adopted on a basis consistent with accounting principles generally accepted in the United States of America (GAAP) except that proprietary funds expense capital outlay instead of depreciation. The legal level of control (the level at which the City Council must approve expenditures in excess of appropriations) for each legally adopted annual operating budget is at the department level. Budget amounts are as originally adopted or as last amended. Unexpended budget appropriations lapse at year-end.

**X. Pensions**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the City of Snellville Retirement Plan (SRP) and additions to/deductions from SRP's fiduciary net position have been determined on the same basis as they are reported in the SRP. For this purpose, benefit payments (including refunds of employee contributions, if applicable) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**2. CASH AND INVESTMENTS**

**Custodial Credit Risk – Deposits.** Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to the City. The City follows the State investment policies which require all deposits in excess of Federal Deposit Insurance be collateralized by securities equal to at least 110% of the excess deposits. As of June 30, 2025, \$23,123,287 of the City's bank balances of \$23,623,287 were exposed to custodial credit risk as follows:

Uninsured and uncollateralized	\$ -
Uninsured and collateral held by pledging bank's agent	<u>23,123,287</u>
Total	<u>\$ 23,123,287</u>

In accordance with state law, the City of Snellville can invest in: 1) Obligations issued by the U.S. Government, any state, any political subdivision of the State of Georgia, or Local Government Investment Pool established by state law; 2) Prime bankers' acceptances; and 3) Repurchase agreements.

The City's investment had no investments as of June 30, 2025.

**Interest Rate Risk.** In accordance with its investment policy, the City manages its exposure to declines in fair values by limiting the weighted average maturity of its investment portfolio to less than 1 year.

**Credit Risk.** State law limits investments in debt issues to the top two ratings issued by nationally recognized statistical ratings organizations.

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**3. PROPERTY TAX**

The City’s property taxes are billed and collected by the City. The taxes were levied July 22, 2024 and are due and payable December 15<sup>th</sup>, 2024. All taxes unpaid after December 15<sup>th</sup> due date are considered delinquent. Property taxes attach as an enforceable lien on the property the following March 16th. Delinquent taxes are considered fully collectable. The City began to bill and collect its own property taxes in July 2021.

**4. RECEIVABLES**

Receivables as of year-end, including the applicable allowances for uncollectible accounts, are as follows:

	<u>Gross</u>	Allowance for <u>Bad Debts</u>	<u>Net</u>
Governmental Funds			
Taxes	\$ 440,241	\$ 20,000	\$ 420,241
Fines	571,136	353,039	218,097
Intergovernmental	972,557	-	972,557
Leases	5,310,943	-	5,310,943
Other	5,631	-	5,631
Solid Waste Management Fund			
Accounts	463,518	130,000	333,518
Stormwater Management Fund			
Accounts	35,206	-	35,206
Total	<u>\$ 7,799,232</u>	<u>\$ 503,039</u>	<u>\$ 7,296,193</u>

**5. INTERGOVERNMENTAL REVENUES AND RECEIVABLES**

Intergovernmental revenues for the year ended June 30, 2025 consist of the following:

Governmental Funds -	
Gwinnett County - SPLOST Projects	\$ 5,154,413
GOHS HEAT Grant	64,028
Community Development - DDA	114,897
Vest Grant	825
ARPA GRANT	1,540,291
Gwinnett County - Street & Sidewalk Improvements	387,120
State of Georgia - DOT, LMIG Program	779,225
Other	51,501
Total Intergovernmental Revenues	<u>\$ 8,092,300</u>

Intergovernmental receivables as of June 30, 2025 consist of the following:

Governmental Funds -	
Gwinnett County - SPLOST	\$ 422,468
Gwinnett County - Grove Project	146,747
Gwinnett County - Street & Sidewalk Improvements	403,342
Total Intergovernmental Receivables	<u>\$ 972,557</u>

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**6. INTER-FUND TRANSACTIONS**

Inter-fund payables and receivables as of June 30, 2025, were as follows.

Due From	Due To					TOTAL
	General	ARPA	DDA	SPLOST V	STORM-WATER	
General Fund	\$ -	\$ 149,684	\$ 52,760	\$ 296,013	937,883	1,436,340
Non-Major - Hotel / Motel Tax Fund	<u>234,059</u>	-	-	-	-	<u>234,059</u>
Total	<u>\$ 234,059</u>	<u>\$ 149,684</u>	<u>\$ 52,760</u>	<u>\$ 296,013</u>	<u>\$ 937,883</u>	<u>\$ 1,670,399</u>

The General Fund owed the Stormwater Fund \$937,883 for stormwater fees received that were deposited into the General Fund’s bank account and had not been reimbursed as of June 30, 2025. The Hotel / Motel Tax Fund owes the General Fund \$234,059 for items purchased with General Fund monies that is to be reimbursed by the Hotel Motel Tax Fund. The General Fund owes the DDA Fund \$52,760 for excise taxes and Grove related deposits collected by the General Fund. Monies owed to ARPA and SPLOST V Funds from the General Fund were for reimbursements from other governments that were automatically deposited into the General Fund and not reimbursed to the appropriate fund as of June 30, 2025.

Individual inter-fund transfers for the year ended June 30, 2025, were as follows:

Transfer From	Transfer to			
	General	DDA	Solid Waste	Total
General	\$ -	\$ -	\$ 989,215	\$ 989,215
SPLOST V	-	1,294,235	-	1,294,235
DDA	<u>112,585</u>	-	-	<u>112,585</u>
	<u>\$ 112,585</u>	<u>\$ 1,294,235</u>	<u>\$ 989,215</u>	<u>\$ 2,396,035</u>

During the fiscal year ended June 30, 2025, the General Fund transferred \$989,215 to the Sanitation fund to help fund operations. The SPLOST V Fund transferred \$1,294,235 to the DDA Fund to help finance debt service requirements. The DDA Fund transferred a net of \$112,585 to help finance Grove related operating expenditures.

In the Statement of Activities, additional transfers were recognized in the amount of \$191,308 as a result of the ARPA Fund financing the purchase / construction of infrastructure improvements for the enterprise funds. Governmental Funds transferred the improvements to the Stormwater Fund in which they were recognized as capital improvements. This increased the total transfers in the Statement of Activities to \$1,180,523. These transactions were recognized as capital outlay expenditures in the governmental funds and as capital contributions in the proprietary funds.

**7. LITIGATION AND CONTINGENCIES:**

The City was a defendant in several lawsuits as of June 30, 2025. The outcomes of these lawsuits and other possible claims are not yet determinable but are not expected to materially affect the financial situation of the City. Subsequent to year end, the City received an ante litem notice regarding a police incident involving a domestic dispute that ended with a K9 of a neighboring City’s police department biting the defendant in the face. The ante litem notice was claiming damages in the amount of \$30,000,000. The City denied the claim and reported the matter to the City’s insurance carrier.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**8. PROPERTY, PLANT AND EQUIPMENT – (Continued)**

Capital asset activity for the year ended June 30, 2025, was as follows:

	Beginning Balance <u>As Restated</u>	<u>Increases</u>	<u>Decreases</u>	Ending Balance
<b>Governmental Activities:</b>				
Capital assets, not being depreciated:				
Land	\$ 15,647,841	\$ 4,356,943	\$ -	\$ 20,004,784
Construction in progress	<u>6,636,679</u>	<u>3,430,300</u>	<u>-</u>	<u>10,066,979</u>

**9. LONG-TERM DEBT**

**Changes in General Long-Term Debt**

The following is a summary of changes in long-term liabilities reported in the government-wide financial statements for the year ended June 30, 2025:

	Beginning Balance <u>As Restated</u>	<u>Increases</u>	<u>Decreases</u>	Ending Balance	Current Portion
<b>Governmental Activities</b>					
Revenue Bonds Note 20	\$20,475,000	\$ -	\$ (1,910,000)	\$ 18,565,000	\$ -
Bond Premiums/Discounts	1,578,776	-	(90,341)	1,488,435	-
Leases Payable - Note 10	323,997	-	(108,064)	215,933	108,832
Subscriptions Payable - Note 11	193,111	-	(47,857)	145,254	40,560
Termination Benefits Note 17	17,978	-	(17,978)	-	-
Accrued Compensated Absences	<u>545,032</u>	<u>133,430</u>	<u>-</u>	<u>678,462</u>	<u>50,000</u>
 Total long-term liabilities	 <u>\$23,133,894</u>	 <u>\$ 133,430</u>	 <u>\$ (2,174,240)</u>	 <u>\$ 21,093,084</u>	 <u>\$ 199,392</u>

The General Fund typically has been used to liquidate long-term liabilities.

The Stormwater and Sanitation Funds pay their own individual debt service on their long-term liabilities.

The change in accrued compensated absences is net of leave earned and leave taken.

Governmental activities' long-term debt obligations beginning balances have been restated to include the long-term debt of the DDA. See Note 22 – Restatement.

**10. LEASING ACTIVITIES**

In July 2021, the City implemented a new accounting standard GASB Statement No. 87 “Leases”. The new standard establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under the Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments’ leasing activities.

A lease is defined as a contract that conveys control of the right to use another entity’s nonfinancial asset (the underlying asset) as specified in the contract for a period of time (greater than one year) in exchange or exchange-like transaction. Any contract that meets this definition should be accounted for under the lease guidance, unless specifically excluded in the GASB Statement.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**10. LEASING ACTIVITIES, (Continued)**

City as Lessee

The City, as lessee, has entered into various lease agreements involving computers and other equipment. The total of the City's lease assets is recorded at cost of \$465,099, less accumulated depreciation of \$221,882.

The future lease payments under the lease agreement, with an imputed interest rate based on the City's estimated current borrowing rate of 4%, are as follows:

	<u>Leases</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2026	\$ 108,832	\$ 8,637	\$ 117,469
2027	52,500	4,284	56,784
2028	54,601	2,184	56,785
	<u>\$ 215,933</u>	<u>\$ 15,105</u>	<u>\$ 231,038</u>

City as Lessor

The City, as a lessor, has entered into a lease agreement involving land that is to be used to house a cell tower. The total amount of inflows of resources, including lease revenue and interest recognized during the fiscal year was \$35,353. A schedule of future payment that are included in the measurement of the lease receivable, with imputed interest based on the City's estimated current borrowing rate of 4%, are as follows:

	<u>Cell Tower</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2026	\$ 30,729	\$ 2,827	\$ 33,556
2027	30,436	18,328	48,764
2028	7,565	35,660	43,225
2029	10,076	35,310	45,386
2030	12,800	34,856	47,656
2031-2035	113,356	163,138	276,494
2036-2040	222,666	130,218	352,884
2041-2045	379,516	70,863	450,379
2046-2047	143,828	4,420	148,248
	<u>\$ 950,972</u>	<u>\$ 495,620</u>	<u>\$ 1,446,592</u>

The City has recorded a lease receivable and a related deferred inflow of \$950,972 and \$1,000,972 respectively.

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**10. LEASING ACTIVITIES, (Continued)**

DDA as Lessor

A significant part of the Authority’s operations is the leasing of business offices in the Cobblestone Office Park Complex and the Market Building in the Grove area. Many of the lease contracts entered into by the Authority are for a period of more than one year, and therefore, the Authority is required under the new standard to recognize a lease receivable and a deferred inflow of resources. As of June 30, 2025, the Authority has recorded leases receivable and a related deferred inflow of \$4,253,724 and \$4,249,181 respectively. The total amount of inflows of resources from all lease activities including exempt leases under the new standard, including lease revenue and interest recognized during the fiscal year was \$767,218. A schedule of future payments that are included in the measurement of the leases receivable, with imputed interest based on the Authority’s estimated incremental borrowing rate of 3.351% are as follows:

	Office Building		Grove Facilities		Total
	Principal	Interest	Principal	Interest	
2026	\$ 216,051	\$ 10,116	\$ 179,081	129,031	\$ 534,279
2027	69,711	2,725	185,175	122,937	380,548
2028	35,849	650	191,476	116,636	344,611
2029	-	-	197,992	110,120	308,112
2030	-	-	209,872	103,375	313,247
2031-2035	-	-	1,307,068	393,197	1,700,265
2036-2040	-	-	1,661,449	140,492	1,801,941
2041-2045	-	-	-	-	-
2046-2047	-	-	-	-	-
	<u>\$ 321,611</u>	<u>\$ 13,491</u>	<u>\$ 3,932,113</u>	<u>\$ 1,115,788</u>	<u>\$ 5,383,003</u>

**11. SUBSCRIPTION PAYABLE**

The City’s financial statements include the adoption of GASB Statement No. 96, Subscription-Based Information Technology Arrangements. The primary objective of this statement is to enhance the relevance and consistency of information about governments’ subscription activities. The statement establishes a single model for subscription accounting based on the principle that subscriptions are financings of the right to use an underlying asset. Under the Statement an organization is required to recognize a subscription liability and an intangible right-to-use subscription asset.

The City has entered into subscription-based information technology arrangements (SBITAs) involving various public safety software subscriptions.

The following is a summary of changes in subscription liabilities reported in the government-wide financial statements:

	Beginning Balance	Increases	Decreases	Ending Balance	Current Portion
<b>Governmental Activities</b>					
Subscriptions Payable	<u>\$ 193,111</u>	<u>\$ -</u>	<u>\$ (47,857)</u>	<u>\$ 145,254</u>	<u>\$ 40,560</u>

The interest rates imputed under the subscription arrangements is stated at the City’s current borrowing rate of 2.5%.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**11. SUBSCRIPTION PAYABLE (Continued)**

Principal and interest requirements to maturity is as follows:

Year Ending June 30,	Subscriptions		
	Principal	Interest	Total
2026	\$ 40,560	\$ 3,630	\$ 44,190
2027	37,422	2,618	40,040
2028	23,724	1,681	25,405
2029	28,911	723	29,634
2030	14,637	366	15,003
	<u>\$ 145,254</u>	<u>\$ 9,018</u>	<u>\$ 154,272</u>

The total costs of the City’s subscription assets are recorded as \$290,235, less accumulated amortization of \$114,811. The total amortization expense for the year ended June 30, 2025 was \$64,817.

**12. UNAVAILABLE REVENUES**

Unavailable revenues as of June 30, 2025, reported in the Governmental Fund’s balance sheet, consisted of the following revenue items which had been earned and were measurable but were not received within 60 days after year end and therefore were not considered available:

Governmental Funds	
Property taxes	\$ 147,549
Fines and forfeitures	96,446
Total	<u>\$ 243,995</u>

**13. RISK MANAGEMENT**

The City of Snellville is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City has joined together with other municipalities in the state as part of the Georgia Interlocal Risk Management Agency (GIRMA) for property and liability insurance and the Workers’ Compensation Self-Insurance Fund (WCSIF), public entity risk pools currently operating as common risk management and insurance programs for member local governments. The Georgia Municipal Association (GMA) administers both risk pools.

As part of these risks pools, the City is obligated to pay all contributions and assessments as prescribed by the pools, to cooperate with the pools’ agents and attorneys, to follow loss reduction procedures established by the funds, and to report as promptly as possible, and in accordance with any coverage descriptions issued, all incidents which could result in the funds being required to pay any claim of loss. The City is also to allow the pools’ agent and attorneys to represent the City in investigation, settlement discussions and all levels of litigation arising out of any claim made against the City within the scope of loss protection furnished by the funds. The City pays an annual premium to GIRMA for its general insurance and has coverage of \$1,000,000 for the risks discussed above, except for buildings, which are covered at 100% of the value of the City’s holdings. The City’s coverage for workers’ compensation claims is statutory.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**13. RISK MANAGEMENT, (Continued)**

The funds are to defend and protect the members of the funds against liability or loss as prescribed in the member governments' contracts and in accordance with the workers' compensation laws of Georgia. The funds are to pay all cost taxed against members in any legal proceeding defended by the members, all interest accruing after entry of judgment, and all expenses incurred for investigation, negotiation or defense.

The City continues to carry commercial insurance for all other risks of loss, employee health and accident insurance. Settled claims in the past three years have not exceeded the commercial insurance coverage.

**14. HOTEL / MOTEL TAX**

The City levies an 8% hotel/motel tax in accordance with the provisions of OCGA 48-13-51. To comply with the expenditures' provisions of this code section, the City expends 90% of monies collected under this provision for tourism and promotional purposes by contracting with the Snellville Tourism and Trade Association. During the year ended June 30, 2025, the City's collections and related remittances were as follows:

	<u>Amount</u>	<u>Percent</u>
Total Collections	\$ 526,503	100%
Total Remittances	\$ 473,853	90%

The City was in compliance with state law regulating hotel/motel taxes and the related expenditures as of June 30, 2025.

**15. JOINT VENTURE**

Under Georgia law, the city, in conjunction with other cities and counties in the Metro Atlanta area, is a member of the Atlanta Regional Commission (ARC). Membership in this organization is required by the Official Code of Georgia Annotated (OCGA) Section 50-8-34, which provides for the organizational structure of the Commission in Georgia. The ARC Board membership includes the chief elected official of each county, one representative for all the cities in a member county and 15 citizen representatives. OCGA 50-8-39.1 provides that the member governments are liable for any debts or obligations of the ARC. Separate financial statements may be obtained from:

Atlanta Regional Commission  
3715 Northside Parkway  
Building 200, Suite 300  
Atlanta, Georgia 30327

(See Independent Auditor's Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS**

**Money Purchase Pension Plan -**

On March 1, 2002, the City converted its defined benefit pension plan and adopted the City of Snellville, Georgia Employee Pension Plan (a defined contribution plan). The City now uses the money purchase pension plan to provide pension benefits to most of its full-time employees. The plan is being administered by One America, a private corporation. The pension plan is authorized by city council through the passage of an ordinance. The city council is responsible for establishing and amending the plan’s provision and for establishing and amending contribution requirements.

Under the terms of the plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate after completing one year of service. The City’s contribution to the plan depends upon each participant’s base salary. The City will contribute 6% of each eligible employee’s base monthly salary to the plan. Employees are not required to make any contributions to the plan. The amount of payroll covered under the plan for the year ended June 30, 2025, amounted to approximately \$6,245,833. Gross payroll for the year was \$7,990,160.

The City’s contribution for each employee vests in accordance with the following schedule:

<u>Completed years of Services</u>	<u>Vested Percentage</u>
3	50%
5	100%

Contributions made by the City to the money purchase pension plan for the year ended June 30, 2025, amounted to \$374,750 which is 6% of covered payroll. The City did use \$12,886 of forfeited pension accounts to finance part of the \$374,750 contributions.

**Deferred Compensation Plan –**

Under the terms of the deferred compensation plan, any employee can voluntarily defer receipt of up to 25% of gross compensation, not to exceed \$18,000 per year. Each participant selects one of various options to administer the investment of the deferred funds. All administration costs of the plan are deducted from the participants’ accounts. The deferred amounts may be distributed to the employee upon retirement or other termination of employment, disability, death, or financial hardship (as defined).

**Defined Benefit Plan –**

In prior years, the City contributed to the Georgia Municipal Employees Benefit System (GMEBS), an agent multiple-employer public employee retirement system administered by the Georgia Municipal Association. The City of Snellville Retirement Plan was a defined benefit plan that provided retirement and disability benefits and death benefits to plan members and beneficiaries (superseded plan). The Public Retirement Systems Standard Law (Georgia Code Section 47-20-10) assigns the authority to establish and amend the plan to the City of Snellville. The Georgia Municipal Employees Benefit System issues a publicly available financial report that includes financial statements and required supplementary information for the System. The report may be obtained by writing to the Georgia Municipal Employees Benefit System, 201 Pryor Street, S.W., Atlanta, Georgia 30303.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS, (Continued)**

**Defined Benefit Plan, Continued**

As mentioned under the caption “Money Purchase Pension Plan” the defined benefit plan was converted to a defined contribution plan (successor defined contribution plan) on March 1, 2002. GMEBS was authorized to continue making monthly retirement and death benefit payments after March 1, 2002 to retirees and beneficiaries who were in pay status under the superseded plan on or before such date and to provide future benefits for any vested terminated participant as of February 28, 2002. In order to ensure adequate funding for benefits to be provided to retirees, beneficiaries and vested terminated participants, the City Council approved an ordinance that provides for the following:

1. Retention of assets in the City’s GMEBS administered trust fund in an amount equal to 110% of the combined present value of accrued benefits payable to retirees and beneficiaries.
2. The assets in the trust fund shall share in any investment gains or losses of the GMEBS Retirement Trust Fund.
3. Subsequent valuations of the trust fund’s liabilities shall be made annually and any gains or losses will be amortized over five years.
4. The City shall make an annual contribution to the trust fund equal to 110% of the recommended contribution amount reflected in each annual valuation plus administration fees.

For 2025, the City’s annual pension cost was \$ -0- for SRP as calculated under the above-mentioned City ordinance. However, the City did pay administrative fees of \$10,659. The required contribution was determined as part of the January 1, 2025 actuarial valuation using the projected unit credit actuarial cost method. The actuarial assumptions included 7.38% investment rate of return and a cost of living adjustment of 2.25%. There were no active employees and therefore no projected salary increases were used. The value of SRP assets was determined using market values. The actuarial accrued liability as of January 1, 2025, was \$996,087 The annual pension contribution for 2025 was calculated as follows:

Total actuarial accrued liability (as of 1/1/25)	\$ 996,087
10% of actuarial accrued liability (margin)	<u>99,609</u>
Target asset value	1,095,696
Actual fair value of assets	<u>3,111,645</u>
Difference or contribution to fund plan	<u>\$ (2,015,949)</u>

The City was not required to make any contributions to the plan during the year except for administrative fees as mentioned above.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS, (Continued)**

**Defined Benefit Plan, Continued**

During the fiscal year ended June 30, 2015 the City implemented GASB Statement NO. 68 “Accounting and Financial Reporting for Pensions”. The newly adopted statement requires the following disclosures:

At January 1, 2025, the date of the most recent actuarial valuation, there were 36 participants consisting of the following:

Retirees and beneficiaries currently receiving benefits	25
Terminated vested participants not yet receiving benefits	11
Active employees - vested	0
Active employees - nonvested	<u>0</u>
 Total	 <u>36</u>

**Pension Liabilities, Pension Expense, and Deferred Outflows and Deferred Outflows of Resources Related to Pensions**

At June 30, 2025, the City reported an asset of \$2,115,558 for its net pension asset. The net pension asset was measured as of September 30, 2024 and was determined by an actuarial valuation as of January 1, 2025. The changes in the Net Pension Liability (Asset) for the year ended September 30, 2024 (the measurement date) were as follow:

	Total Pension Liability	Fiduciary Net Position	Net Pension Liability (Asset)
Balances - beginning	\$ 1,001,631	\$ 2,590,743	\$(1,589,112)
Changes for the year-			
Interest	70,530	-	70,530
Differences between expected and actual experience	14,512	-	14,512
Contributions - Employer	-	10,572	(10,572)
Net investment income	-	612,164	(612,164)
Benefit payments, including refunds of employee contributions	(90,586)	(90,586)	-
Administrative expense	-	(11,248)	11,248
Other	-	-	-
Net Changes	<u>(5,544)</u>	<u>520,902</u>	<u>(526,446)</u>
Balances - ending	<u>\$ 996,087</u>	<u>\$ 3,111,645</u>	<u>\$(2,115,558)</u>

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS, (Continued)**

**Defined Benefit Plan, Continued**

**Pension Liabilities, Pension Expense, and Deferred Outflows and  
Deferred Outflows of Resources Related to Pensions, Continued**

For the year ended June 30, 2025, the City recognized pension expense and deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Service cost	\$ -
Interest on The Pension Liability (TPL)	70,530
Administrative expenses	11,248
Expected return on assets	(187,702)
Deferred Inflows -	
Expensed portion of current year period differences between expected and actual experience in TPL	14,512
Expensed portion of current year period assumption changes	-
Expensed portion of current year period differences between projected and actual investment earnings	(84,894)
Current year recognition of deferred inflows and outflows established in prior years.	<u>14,838</u>
 Total expense	 <u>\$ (161,468)</u>

The City’s contributions made subsequent to the measurement date but before the end of the City’s reporting period will be recognized as a reduction of the net pension liability in the subsequent fiscal year rather than the current fiscal year. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

F/Y/E June 30,	Deferred Outflows	Deferred Inflows	Net
2026	\$ -	\$ (59,905)	\$ (59,905)
2027	-	21,408	21,408
2028	-	(114,091)	(114,091)
2029	-	<u>(84,892)</u>	<u>(84,892)</u>
	<u>\$ -</u>	<u>\$ (237,480)</u>	<u>\$ (237,480)</u>

Outstanding balances of deferred outflows/inflows of resources related to pensions as of June 30, 2025 are as follow:

	<u>Outflows</u>	<u>Inflows</u>
Investment	\$ -	\$ (237,480)
Total	<u>\$ -</u>	<u>\$ (237,480)</u>

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS, (Continued)**

**Defined Benefit Plan, Continued**

**Actuarial Assumptions**

The total pension liability in the January 1, 2025 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

**Actuarial Assumptions:**

Net Investment Rate of Return	7.375%
Projected Salary Increases	N/A
Cost of Living Adjustments	2.25%
Mortality Rates -	
Healthy	Pri-2012 Head-count weighted Mortality Table with sex-distinct rates, with rates multiplied by 1.25
Disabled	Sex-distinct Pri-2020 head-count weighted Disabled Retiree Mortality Table with rates multiplied by 1.25
Plan Termination Basis	1994 Group Annuity Reserving Unisex Table

The actuarial assumptions used in the January 1, 2025 valuation were based on the results of an actuarial study conducted in November and December 2019.

The long-term rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan’s target asset allocation as of September 30, 2024, are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Domestic equity	45.00%	6.41%
International equity	20.00%	6.96%
Global fixed income	5.00%	3.06%
Domestic fixed income	20.00%	1.96%
Real estate	10.00%	4.76%
Cash	0.00%	
Total	100.00%	

(See Independent Auditor’s Report)

**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**16. EMPLOYEE BENEFIT PLANS, (Continued)**

**Defined Benefit Plan, Continued**

**Discount Rate**

The discount rate used to measure the total pension liability was 7.375 percent. The projection of cash flows used to determine the discount rate assumed that contributions from the City will be made at the actuarially determined contribution rate. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

*Sensitivity of the Net Pension Liability  
To Changes in the Discount Rate*

The following presents the City’s net pension liability (asset) calculated using the discount rate of 7.375 percent, as well as what the City’s net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	<b>1% Decrease</b>	<b>Current Rate</b>	<b>1% Increase</b>
	<b><u>6.375%</u></b>	<b><u>7.375%</u></b>	<b><u>8.375%</u></b>
Net Pension Liability (Asset)	\$ (2,043,861)	\$ (2,115,558)	\$ (2,178,755)

**Pension Plan Net Fiduciary Net Position**

Detailed information about the pension plan’s fiduciary net position is available in the separately issued City of Snellville Retirement Plan financial report.

**17. EARLY RETIREMENT PLAN**

**2010 Early Retirement Incentive –**

In 2010 the City put together offers for employees as an early retirement incentive. To be eligible for the early retirement incentives, employees must (1) have attained the age of 55; (2) have worked for the City at least ten years; (3) have worked a minimum of 100 days during the year; and (4) have not received an official notice of layoff or termination. Employees could choose between 5 different plans, some of which offered pension contributions as a percentage of salary per year until age 65, health insurance premiums covered by the City until age 65, 6 months payout of salary, and payouts of vacation and sick leave benefits. The total liability to the City at the start of the program was \$399,327. Of this total liability for termination benefits, \$84,327 was paid with expendable available financial resources and was therefore recognized in the fund financial statements in fiscal year ended June 30, 2010. The remainder was reported in the government-wide financial statements as a long-term obligation. Termination benefits are expected to be paid through 2025. Benefits have been calculated using a 6% discount rate of future benefit payments and a 6% inflation rate, if applicable. The liability was retired as of June 30, 2025.

(See Independent Auditor’s Report)

**18. RELATED PARTY ACTIVITIES**

During the fiscal year ended June 30, 2025, the following related party transactions occurred:

- The City made contributions of \$114,897 to the Downtown Development Authority to help finance the Authority’s operations. The funding originates with the City through a vehicle rental excise tax.
- The DDA transferred \$202,170 to the City during f/y 2025 to help finance the cost of maintenance for the Grove area. These monies come from Grove related rental agreements.
- The City contributed \$1,383,819 to the DDA to help finance debt service requirements of which \$1,294,235 were financed with SPLOST funds.

**19. PLANNED TOWNE CENTER PROJECT**

The Grove at Towne Center (The Grove) project continued to dominate time and efforts in FY 25 as this fiscal year saw steady progress toward its completion and grand opening. The project’s site work was completed in June 2023. This work included the development’s greenspace, splash pad, and pedestrian pathways. In addition, the City completed the Grove’s street improvements including installing pedestrian lighting, raised crosswalks, on street parking, and a roundabout at Wisteria Drive and Clower Street. In December 2022, the first residents began moving in to the privately developed 270 luxury apartments complex. In September 2023, the two-story public library building opened, with the City subleasing the second floor to a co-working company. The finished building will be 45,000 square feet.

In July 2023, the City began construction of the Municipal Market building shell. The two-story building will house a brewery and food hall, with an event space on the second floor. In total, the building is 22,000 square feet. In September 2024, the building shell was substantially complete. In the summer of 2024, the City entered into a lease agreement with Crooked Can Brewing Company to rent the first floor. As part of the agreement, the City provided funds to complete the interior buildout of the brewery and food hall. Concurrently, the City is working to secure a lease with an event space operator.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**19. PLANNED TOWNE CENTER PROJECT, Continued**

To accommodate the anticipated increase in traffic flow generated by the Grove, the City began work on an intersection improvement project at North Road and Wisteria Drive in April 2025. The project includes upgrading signals, lighting, and sidewalks, and installing two (2) left turn lanes on North Road and a right turn lane on Wisteria Drive. The City anticipates completing the improvements by spring of 2026.

Phase Two of this project involves 8.2 acres of land immediately across Wisteria Drive from The Grove. In May 2022, the City sold the 8.2 acres of land to MidCast, LLC for future healthcare / retail uses including a Northside Hospital office and out-patient surgical center. Construction began almost immediately, and the facility opened in September 2023. The private sector investment is estimated to surpass \$100 million for both phases.

Over the last two (2) years, the City purchased 5 acres of land on Oak Road and State Highway 124. The City plans to work with a developer to redevelop the land as a complement to The Grove. The City is in the early planning stages for the development.

Although the City was the architect and prime mover behind all of The Grove’s work, the Snellville Downtown Development Authority (DDA) was the legal conduit used for purchase and sale of property and for development and operating agreements between the City and our private sector partners, MidCast, LLC. The DDA’s assistance was absolutely critical to our success.

**20. DOWNTOWN DEVELOPMENT AUTHORITY REVENUE BONDS PAYABLE**

The following is a summary of changes in long-term liabilities of the Downtown Development Authority for the year ended June 30, 2025:

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>	<u>Current Portion</u>
Revenue Bonds	\$ 20,475,000	\$ -	\$ (1,910,000)	\$ 18,565,000	\$ -
Bond Discounts	(81,811)	-	7,822	(73,989)	-
Bond Premiums	<u>1,660,587</u>	<u>-</u>	<u>(98,163)</u>	<u>1,562,424</u>	<u>-</u>
Total	<u>\$ 22,053,776</u>	<u>\$ -</u>	<u>\$ (2,000,341)</u>	<u>\$ 20,053,435</u>	<u>\$ -</u>

**SERIES 2019 TAXABLE REVENUE BONDS**

In May 2019, the Downtown Development Authority of Snellville issued taxable revenue bonds in the amount of \$4,020,000 to finance and carry out a project consisting of the acquisition, financing, and leasing of five commercial buildings and related property. Interest is being charged at various interest rates from 2.55% to 4.0%. The bonds mature in July 2039.

**SERIES 2025A TAXABLE REVENUE BONDS**

In May 2022, the Downtown Development Authority of Snellville issued taxable revenue bonds in the amount of \$9,300,000 to finance the various Towne Center Projects including (1) a market place amenity, (2) an educational space to be located on the second floor of the Library Building, and (3) costs associated with renovating the Authority’s Cobblestone Office Park. Interest is being charged at various interest rates from 0.330% to 2.4%. The bonds mature in July 2033.

(See Independent Auditor’s Report)

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**20. DOWNTOWN DEVELOPMENT AUTHORITY REVENUE BONDS PAYABLE (continued)**

**SERIES 2025B NON-TAXABLE REVENUE BONDS**

In May 2022, the Downtown Development Authority of Snellville issued non-taxable revenue bonds in the amount of \$9,265,000 to finance various Towne Center Projects including (1) a parking deck and (2) associated common areas. Interest is being charged at 4%. The bonds mature in July 2041.

The bonds are special limited obligations of the Authority payable solely from and secured by a pledge by the Authority of the “Trust Estate” under a Trust Indenture, dated as of May 1, 2019 and as supplemented on May 1, 2025 between the Authority, as issuer, and Regions Bank as trustee. The Trust Estate consists primarily of amounts to be paid to the Authority pursuant to an Intergovernmental Contract between the authority and the City of Snellville. Under the terms of the Contract, the City has agreed to assess property taxes and make payments, if necessary, to the Authority in amounts sufficient to enable the Authority to pay the principal and interest on the Bonds on each semiannual interest payment date and each redemption date.

Annual repayment requirements under the revenue bonds agreements are as follows:

**CITY OF SNELLVILLE, GEORGIA**  
**NOTES TO FINANCIAL STATEMENTS – (Continued)**

**21. OTHER REQUIRED INDIVIDUAL FUND DISCLOSURES**

Generally accepted accounting principles require disclosures, as a part of the combined statements - overview, of certain information concerning individual funds including-

A. Deficit fund balances or net position of individual funds –The City’s Hotel / Motel Tax Fund had a deficit fund balance / net position as of June 30, 2025 of \$7,980. Management plans to fund the deficit with future revenues..

B. Excess of expenditures over appropriations in individual funds are as follows:

None of the City’s funds had departmental expenditures which materially (if both over 5% and greater than \$5,000) exceeded their corresponding appropriations.

**22. RESTATEMENT TO BLEND THE DOWNTOWN DEVELOPMENT AUTHORITY**

During fiscal year 2025, the City determined that the Downtown Development Authority, a component unit that had been discretely presented in previous years, should be blended rather than presented discretely. The effects of blending the component unit are as follows:

	Governmental Activities	Downtown Development Fund	Total Governmental Funds
Beginning Equity before Restatement	\$ 69,714,744	\$ -	\$ 17,721,379
Restatement - Blend Component Unit	<u>10,907,676</u>	<u>4,184,051</u>	<u>4,184,051</u>
Beginning Equity after Restatement	<u>\$ 80,622,420</u>	<u>\$ 4,184,051</u>	<u>\$ 21,905,430</u>

**NOTES TO REQUIRED SUPPLEMENTARY PENSION INFORMATION**  
**FOR THE YEAR ENDED JUNE 30, 2025**

**Note 1**

Significant methods and assumptions used in calculating the actuarially determined calculations are as follow:

**Methods and assumptions used to determine contribution rates:**

Actuarial Cost Method	Projected Unit Credit
Amortization Method	Closed level dollar for remaining unfunded liability
Remaining Amortization Period	N/A
Asset Valuation Method	Sum of actuarial value at beginning of year and the cash flow during the year plus the assumed investment return, adjusted by 10% of the amount that the value exceeds or is less than the market value at end of year. The actuarial value is adjusted, if necessary, to be within 20% of market value.

**Actuarial Assumptions:**

Net Investment Rate of Return	7.375%
Projected Salary Increases	N/A
Cost of Living Adjustments	2.25%
Mortality Rates -	
Healthy	Pri-2012 Head-count weighted Mortality Table with sex-distinct rates, with rates multiplied by 1.25
Disabled	Sex-distinct Pri-2020 head-count weighted Disabled Retiree Mortality Table with rates multiplied by 1.25
Plan Termination Basis	1994 Group Annuity Reserving Unisex Table

Amounts reported for the fiscal year ending in 2020 and later reflect the following assumption changes based on an actuarial study conducted in November and December of 2019:

- The inflation assumption was decreased from 2.75% to 2.25%
- The investment return assumption was decreased from 7.5% to 7.375%
- The cost-of-living assumption was decreased from 2.75% to 2.25%

## **NONMAJOR FUNDS**

---

**CITY OF SNELLVILLE, GEORGIA**  
**JUNE 30, 2025**  
**NONMAJOR GOVERNMENTAL FUNDS**

**SPECIAL REVENUE FUNDS**

Special Revenue Funds are used to account for proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

**Confiscated Assets Fund** – to account for the assets confiscated from investigations into illegal drug activities. These assets are legally restricted to expenditures for law enforcement purposes.

**Tree Bank Fund** – to account for proceeds of fees charged under the City’s tree bank ordinance.

**Hotel / Motel Tax Fund** – this fund is used by the City to account for proceeds from the City’s Hotel / Motel Tax and the required payments to a non-profit organization for promotion of Snellville’s tourism and trade.

**CAPITAL PROJECT FUND**

**The Urban Redevelopment Agency Fund** – The Urban Redevelopment Agency Fund is used as a capital projects fund to account for the proceeds for the issuance of bonds to finance or refinance urban improvement projects.

This page has been intentionally left blank.

<b>Overlapping Debt:</b>			
Gwinnett County	-	2.96%	-
Gwinnett County School District	-	2.96%	-
Total overlapping debt	-		-
Total direct and overlapping debt	-		-

Sources: Assessed value data used to estimate applicable percentages and debt obtained from Gwinnett County's finance department.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of the City. This process recognizes that, when considering the government's ability to issue and repay long term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt of each overlapping government.

(1) The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of the County's taxable assessed value that is within the City's boundaries and dividing it by the County's total taxable assessed value.

**INDEPENDENT AUDITOR'S REPORT**  
**ON INTERNAL CONTROL OVER FINANCIAL REPORTING**  
**AND ON COMPLIANCE AND OTHER MATTERS**  
**PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and Members of City Council  
City of Snellville, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component units, each major fund, and the aggregate remaining fund information of City of Snellville, Georgia, as of and for the year ended June 30, 2025, and the related notes to the financial statements, which collectively comprise the City of Snellville's basic financial statements and have issued our report thereon dated February 27, 2026.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City of Snellville, Georgia's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Snellville's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Snellville, Georgia's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed in the accompanying schedule of findings and responses, we identified two deficiencies in internal control that we consider to be material weaknesses. We consider the deficiencies described as items 2025.001 and 2025.003 in the accompanying schedule of findings and responses to be material weaknesses.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether City of Snellville, Georgia's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that is required to be reported under Government Auditing Standards and is described in the accompanying schedule of findings and responses as item 2025.002.

### **City of Snellville, Georgia's Response to Findings**

City of Snellville's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. City of Snellville's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Snellville, Georgia  
February 27, 2026

**CITY OF SNELLVILLE, GEORGIA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE YEAR ENDED JUNE 30, 2025**

---

SECTION I

SUMMARY OF AUDITOR'S RESULTS

**Financial Statements**

Type of report the auditor issued on whether the financial statements audited were prepared in accordance with GAAP	Unmodified
Internal control over financial reporting:	
Material weakness(es) identified?	Yes
Significant deficiency(ies) identified?	No
Noncompliance material to financial statements noted?	No

**CITY OF SNELLVILLE, GEORGIA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE YEAR ENDED JUNE 30, 2025**

**SECTION II**

**QUESTIONED  
COST**

**B. FINDINGS--FINANCIAL STATEMENT AUDITS**

**2025.001 MATERIAL AMOUNTS OF ACCOUNTS PAYABLE NOT RECORDED ON THE CITY'S BOOKS AT YEAR END - REPEAT FINDING**

Condition: The City did not record \$677,189 of accounts payable owed by the City as of June 30, 2025

N/A

Criteria: Liabilities, accounts payable, should be recorded in the period the service is performed or the asset is received.

Effect: The City financial statements reported accounts payable that were under-stated by \$658,618 for the year ended June 30, 2025 and revenues were overstated by \$598,132.

Cause: The City received two large payments during F/Y 2025 from sales of real estate for delinquent property tax issues. The excess amounts received by the City were recorded as revenue instead of recording the excess funds as a liability due back to the taxpayer. The excess payments amounted to \$598,132. The remainder of the under-statement of accounts payable were for invoices that were not recorded in the proper period.

Recommendation: Management should emphasize the need for invoices, including construction project invoices, to be submitted to the City's accounting personnel in a timely manner. Management should also ensure that city personnel are properly trained on the proper accounting treatment for excess property tax sales receipts.

View of responsible officials and planned corrective action:  
Management agrees with the finding. Management will emphasize the need for invoices to be submitted to the accounting personnel in a timely manner and that city personnel are properly trained on the accounting for excess property tax sales receipts.

**CITY OF SNELLVILLE, GEORGIA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE YEAR ENDED JUNE 30, 2025**

**SECTION II**

	<b>QUESTIONED COST</b>
<b>B. FINDINGS--FINANCIAL STATEMENT AUDITS</b>	
<b>2025.002 REIMBURSEMENT OWED TO SPLOST IV</b>	
Condition:	The City paid an invoice out of the SPLOST V Fund for an expenditure that was to be reimbursed by another government. When the other government reimbursed the invoice, the payment was automatically deposited into the City's General Fund. The monies were not reimbursed to the SPLOST V Fund until after June 30, 2025.
Criteria:	Payments out of a SPLOST Fund should only be for eligible expenditures approved under the SPLOST referendum.
Effect:	The General Fund owes the SPLOST V Fund \$296,013 as of June 30, 2025.
Cause:	Management had authorized the County to pay all reimbursements directly to a bank account that is part of the General Fund. Since the reimbursements were received close to the fiscal year end of the City, accounting personnel did not have time to properly reimburse the money to the SPLOST V Fund until after year end.
Recommendation:	Management should emphasize the need to properly reimburse the SPLOST Fund in a timely manner, especially near the end of a fiscal year end.
View of responsible officials and planned corrective action:	Management agrees with the finding. Management will emphasize, to accounting personnel and employees responsible for SPLOST expenditures the need to reimburse the SPLOST Funds in a timely manner.
	N/A

**CITY OF SNELLVILLE, GEORGIA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE YEAR ENDED JUNE 30, 2025**

**SECTION II**

**B. FINDINGS--FINANCIAL STATEMENT AUDITS**

**QUESTIONED  
COST**

**2025.003 TWO SIGNIFICANT INVOICES CODED TO THE WRONG  
ACCOUNTING PERIOD**

Condition: During the audit, it was discovered that two significant invoices related to a capital project were improperly recorded to the wrong accounting period. The invoices totaled approximately \$448,000.00

N/A

Criteria: Invoices should be recorded in the accounting period for which the service was performed or the assets was received.

Effect: The current year's financial statements under-reported expenditures by approximately \$448,000.

Cause: The City's accounting clerk accidently recorded the invoices to a previous accounting period (fiscal year).

Recommendation: Management should investigate obtaining computer controls that would deny the accounting staff from recording invoices to a prior accounting period.

View of responsible officials and planned corrective action:

Management agrees with the finding. Management will investigate the possibility of obtaining computer controls that would deny the accounting staff from recording invoices to a prior year.

February 27, 2026

Department of Audits and Accounts  
270 Washington Street, SW  
Room 1-156  
Atlanta, Georgia 30034-8400

The following is management's response to the findings noted in the auditor's report dated February 27, 2026, and for the year ended June 30, 2025, for the City of Snellville, Georgia.

**MATERIAL AMOUNTS OF ACCOUNTS PAYABLE NOT RECORDED ON THE CITY'S BOOKS AT YEAR END-  
REPEAT FINDING**

**Condition:**

The City did not record \$677,189 of accounts payable owed by the City as of June 30, 2025.

**Corrective Action Plan:**

Management agrees with the finding. Management will emphasize the need for invoices to be submitted to the accounting personnel in a timely manner and that city personnel are properly trained on the accounting for excess property tax sales receipts.

**REIMBURSEMENT OWED TO SPLOST V**

**Condition:**

The City paid an invoice out of the SPLOST V Fund for an expenditure that was to be reimbursed by another government. When the other government reimbursed the invoice, the payment was automatically deposited in the City's General Fund. The monies were not reimbursed to the SPLOST V Fund until after June 30, 2025.

**Corrective Action Plan:**

Management agrees with the finding. Management will emphasize to accounting personnel and employees responsible for SPLOST expenditures the need to reimburse the SPLOST Funds in a timely manner.

**TWO SIGNIFICANT INVOICES CODED TO THE WRONG ACCOUNTING PERIOD**

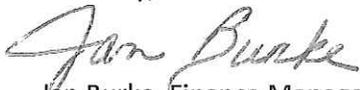

**Condition:**

During the audit, it was discovered that two significant invoices related to a capital project were improperly recorded to the wrong accounting period. The invoices totaled approximately \$448,000.

**Corrective Action Plan:**

Management agrees with the finding. Management will investigate computer controls that would deny the accounting staff from recording invoices to a prior year.

Sincerely,

A handwritten signature in cursive script that reads "Jan Burke".

Certification of Local Government Officials

I have reviewed the information presented in this report and certify that it is accurate and correct. I further certify that the 9-1-1 funds were expended in compliance with the expenditure requirements specified in the Official Code of Georgia Annotated (OCGA), Section 46-5-134. I understand that, in accordance with OCGA Section 46-5-134(m)(2), any local government which makes expenditures not in compliance with this Code section may be held liable for pro rata reimbursement to telephone and wireless telecommunications subscribers of amounts improperly expended. Further, the noncompliant local government shall be solely financially responsible for the reimbursement and for any costs associated with the reimbursement. Such reimbursement shall be accomplished by the service providers abating the imposition of the 9-1-1 charges and 9-1-1 wireless enhanced charges until such abatement equals the total amount of the rebate.

The Honorable Mayor and Members of City Council  
City of Snellville, Georgia

We have examined City of Snellville, Georgia's compliance with the compliance requirements "activities allowed or unallowed" and "allowable cost/cost principles" (the specified requirements) as described in Part IV "Requirements for an Alternative Compliance Examination Engagement for Recipients That Would Otherwise be Required to Undergo a Single Audit or Program-Specific Audit as a Result of Receiving Coronavirus State and Local Fiscal Recovery Funds" of the CSLFRF section of the 2025 OMB *Compliance Supplement* (referred to herein as "Requirements for an Alternative CSLFRF Compliance Examination Engagement") during the year ended June 30, 2025. Management of City of Snellville, Georgia is responsible for City of Snellville Georgia's compliance with the specified requirements. Our responsibility is to express an opinion on City of Snellville, Georgia's compliance with the specified requirement based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA; the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and in the "Requirements for an Alternative CSLFRF Compliance Examination Engagement." Those standards and requirements require that we plan and perform the examination to obtain reasonable assurance about whether City of Snellville, Georgia complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether City of Snellville, Georgia complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination does not provide a legal determination on City of Snellville, Georgia's compliance with specified requirements.

In our opinion, City of Snellville, Georgia complied, in all material respects, with the specified requirements referenced above during the year ended June 30, 2025.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we are required to report all deficiencies that are considered to be significant deficiencies or material weaknesses in internal control; fraud, and noncompliance with provisions of laws, regulations, contracts, or grant agreements that have a material

effect on City of Snellville, Georgia's compliance with the specified requirements and any other instances that warrant the attention of those charged with governance. We are also required to obtain and report the views of responsible officials concerning the findings, conclusions, and recommendations, as well as any planned corrective actions. We performed our examination to express an opinion on City of Snellville, Georgia's compliance with the specified requirements and not for the purpose of expressing an opinion on the internal control over the specified requirements or on compliance and other matters; accordingly, we express no such opinions. Our examination disclosed certain findings that are required to be reported under *Government Auditing Standards* and those findings, along with the views of responsible officials, and are described in the attached Schedule of Findings and Responses.

**Intended Purpose**

The purpose of this examination report is solely to express an opinion on whether City of Snellville, Georgia complied, in all material respects with the specified requirements referenced above during the year ended June 30, 2025. Accordingly, this report is not suitable for any other purpose.

A handwritten signature in cursive script that reads "James L. Whitaker, P.C." The signature is written in black ink and is positioned to the right of the date and location information.

**CITY OF SNELLVILLE, GEORGIA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE YEAR ENDED JUNE 30, 2025**

**QUESTIONED  
COST**

**B. FINDINGS--FINANCIAL STATEMENT AUDITS**

**2025.001 TWO SIGNIFICANT INVOICES CODED TO THE WRONG  
ACCOUNTING PERIOD**

**Condition:** During the audit, it was discovered that two significant invoices related to a capital project were improperly recorded to the wrong accounting period. The invoices totaled approximately \$448,000

**Criteria:** Invoices should be recorded in the accounting period for which the service was performed or the assets was received.

**Effect:** The current year's financial statements under-reported expenditures by approximately \$448,000.

**Cause:** The City's accounting clerk accidentally recorded the invoices to a previous accounting period (fiscal year).

**Recommendation:** Management should investigate obtaining computer controls that would deny the accounting staff from recording invoices to a prior accounting period.

N/A

**View of responsible officials and planned corrective action:**

Management agrees with the finding. Management will investigate the possibility of obtaining computer controls that would deny the accounting staff from recording invoices to a prior year.
