

THE SNELLVILLE SPOTLIGHT

June 2021

Sign up begins Tues, June 1 for advertised events and programs at the Center

The COVID pandemic is lessening and we are moving forward. Snellville Parks & Recreation has been implementing a "MODIFIED" opening plan, which started May 1st, to get members back into the Senior Center for activities and social interaction. We continue to work thru NEW GUIDELINES to keep everyone comfortable with entering the building. In May we allowed a few groups to start utilizing the center and had a couple of SPRD events; however, we were still NOT open to the public on a daily basis, only to those attending the events. As of June 1st, we will allow more of the center facility to be used by specific groups. If all goes well, we will open the Senior Center facility for regular hours on Monday, June 14th.

We look forward to seeing you all back at the center real soon!
