

THE SNELLVILLE SPOTLIGHT

May 2021

Sign up begins **Monday, April 26** for a few events at the Center. Facility is still Closed.

The COVID pandemic has lasted much longer than anyone had anticipated; But, with vaccines, the nation is trying to make strides toward normalcy. Snellville Parks & Recreation is looking to implement a "MODIFIED" opening plan to get members back into the Senior Center for activities & social interaction. This will be a slow process while we work thru NEW REGULATIONS to keep everyone comfortable with entering the building. Starting in May we will look to have a couple of SPRD Events at the center, however we will still NOT be open to public, only to those attending the events. Your patience during this transitional time is greatly appreciated! We miss you all!
