Mr. John Dennis,
Zoning Administrator,
City of Snellville

Dear Mr. Dennis,

This is to inform you of the sad demise of a close family friend we called Auntie. Funeral services will be held today at 5pm followed by burial.
Hence I regret my inability to attend the Planning Commission hearing at 7:30 pm today at the City Hall.

As the owners had assigned me with the responsibility of representing them through the entire process of application and hearings, I request and shall be very grateful for the hearing to be postponed/tabled without prejudice till the next scheduled hearing date of November 24, 2020.

My apologies to all concerned for the inconvenience.

Looking forward to your kind and favorable response.

Thanking you.

Warm Regards,

Mohsin Ashfaque
