**#UDO 23-01 – Consideration and Recommendation on amendment to the text of The Unified Development Ordinance (“UDO”) for the City of Snellville, Georgia to be consistent with the updated Zoning Procedures Act as passed by the Georgia General Assembly for the administrative and Board of Appeals review of variances and waivers of the UDO, as follows: Article 3 (Administration) of Chapter 100; Article 5 (Special and Overlay Districts), Article 6 (Use Provisions) and Article 7 (Site Development) of Chapter 200; and Article 1 (Streets and Public Improvements) of Chapter 400.**

Planning Director Jason Thompson gave an overview of proposed amendment, which is to update the city’s UDO to be consistent with the updated Zoning Procedures Act as passed by the Georgia General Assembly relating to administrative variance applications considered by the Planning Director and appeal, variance and waiver applications considered by the Snellville Board of Zoning Appeals.

Administrative variance applications will now be considered at a public hearing with the Planning Director; require a minimum 30-day public notification of the meeting date, time and location. Public notification to include legal ad publication, posting of a public notice sign, and letters mailed to adjoining property owners.

The proposed text amendment moves much of the variance authority to the six-member Board of Appeals.

Terry Kori asked about amendment item #5 and removal of the internet sales ability.

Mr. Thompson stated that is to remove internet sales ability on the sale of boats, RV’s and utility trailers, instead allow them per the use provisions and use standards requiring Special Use Permit approval. Internet auto sales is not affected by this change.

Kerry Hetherington asked about the change in the application submittal deadline.

Mr. Thompson said that was done to allow time to prepare and order the public notifications, i.e. legal ad and public notice signs in order to be compliant with the new minimum 30-day public notification requirement.

Michael Kissel made a motion to approve #UDO 23-02 as presented and recommended by staff.
