I understand that the City of Snellville requires plans on commercial buildings using other than residential heating and cooling equipment only. A permit shall be secured from the Department of Planning and Development prior to the commencement of any tear-out or heating, ventilating, or air conditioning work. Upon job completion, please call the Department of Planning and Development (770-985-3513) to arrange for a next-day inspection by the City Building Inspector. I certify that all the above statements are true and that all work performed shall meet National, State, and Local code requirements. Fire Safety must be maintained at all times. Paid permit application shall serve as City of Snellville Heating & Air Conditioning Permit.

The issuance of this permit authorizes improvements of the real property designated herein which improvements may subject such property to mechanics' and materialmen's liens pursuant to Part 3 of Article 8 of Chapter 14 of Title 44 of the Official Code of Georgia Annotated. In order to protect any interest in such property and to avoid encumbrances thereon, the owner or any person with an interest in such property should consider contacting an attorney or purchasing a consumer's guide to the lien laws which may be available at building supply home centers.
